Summary:

The City Council will consider the continuance of the proclamation of the existence of a local emergency in response to the current public health crisis related to COVID-19. Recommendations:

1. Receive and file report regarding the continuance of the existence of a local emergency in response to COVID-19.

  - b. State or local officials have imposed or recommended measures to promote social distancing.
3. Direct staff, no later than 30 days after the City Council approves the recommended action, to report back on the state-proclaimed state of emergency so that City Council may reconsider the circumstances of the emergency and, if appropriate, make findings to continue to hold virtual meetings of City legislative bodies pursuant to AB 361.
