MEMORANDUM

TO: HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM: CARLO TOMAINO
CITY MANAGER**

SUBJECT: FISCAL YEAR 2025-26 BUDGET

On behalf of the entire City staff, I am pleased to present the Fiscal Year (FY) 2025-26 Operating Budget for your review and approval. Thank you to the Mayor and the City Council for your continued leadership and support throughout the process and for setting a course that reflects the values and priorities of the community. Thank you to the staff who worked diligently to present a balanced operating budget and who will work diligently throughout the year to implement and realize these budgeted goals and objectives.

The City's adopted budget memorializes the City's capacity to effectively fund and deliver essential municipal services, resulting in the high quality of life enjoyed by Signal Hill residents and businesses. The City's budget serves as a financial and policy plan that guides decisions made during each fiscal year and is the single most important document to determine the future of the City. In reviewing our performance over the past year and looking forward to the goals of the coming year, the adopted budget provides insight into the opportunities and challenges we face.

In developing the budget, staff evaluated the City's available financial resources against expenditures such as increasing costs for ongoing services. Balancing the needs of our community while prioritizing long-term financial sustainability is a key value for the City. Therefore, the budget development process provides the City with an opportunity to recommend changes that align with current needs and respond to the ongoing evolution of local services. Each year, staff recommends a balanced budget that best leverages existing resources and the adoption of innovative technologies; these decisions are presented in the best interest of the entire community.

The FY 2025-26 Operating and Capital Budget is the second budget year of the two-year FY 2024-26 Budget and reflects an operating budget of \$38 million and a capital budget of \$13.6 million. In developing the Year 2 Budget, staff relied on the City's long-standing commitment to fiscal prudence and conservative budgeting, combined with historical performance data, experience, and professional financial and economic analyses. The resulting budget document accomplishes the following key objectives:

- Provides an informed estimate of anticipated costs and expenses, resulting in an overview of operations.
- Connects directly to priorities established by the City's Five-Year Strategic Plan.
- Supports continuous improvement, highlighting progress towards stated goals and areas for improvement.
- Builds upon past experience and performance, while anticipating change.
- Communicates the City's strategic goals into an operations plan and holds the City accountable.

The following sections of this update highlight key accomplishments for the outgoing fiscal year and provide a look forward to the next fiscal year.

Fiscal Year 2024-25 (Year 1) Review:

While the budget continued to reflect tempered optimism with the global and local economies facing challenges related to stubborn inflation, high interest rates, and geopolitical pressures, the City maintained a strong fiscal position with its long tradition of fiscal prudence and conservative budgetary management. The City's FY 2024-25 Operating Budget focused on the continued delivery of quality core municipal services while proactively addressing public safety, deferred maintenance, and operational needs. The City also advanced efforts to create and maintain a work environment conducive to retaining, promoting, and attracting a successful workforce. In developing the budget for the major general fund revenues, the City relied on an analysis of historical performance and trends, as well as industry, economic, and news reports.

Staff developed the City's expenditures as a conservative spending plan addressing City Council and community priorities. The City's continued operations at full capacity include the expansion of current community programs, increased public engagement through communications, committees, leadership academies, and other city events, and plans for future economic development. The budget also reflects the utilization of special revenues and grant programs in the City's capital plan and operational expenditures.

As mentioned, changing economic conditions have impacts on the City's budget and lead to reevaluating spending strategies; the City's future economic health will be dependent on maintaining healthy reserves through fiscally conservative budgets and policies, planning for economic development opportunities, and maintaining its strong financial position through prudent, long-range policy decisions and sound fiscal management. The City will continue to monitor key economic indicators, sources of revenue, and spending levels as part of its sound, conservative fiscal approach.

In Fiscal Year 2024-25, staff continued delivering many programs, projects, and services that contribute to the high quality of life enjoyed by residents and businesses. This year, the City began placing a greater emphasis on addressing quality-of-life issues such as code enforcement, improving public park and facility maintenance, and ongoing efforts

related to homelessness. In addition, the main highlight for 2024 included the City's Centennial Celebration as well as many other accomplishments in FY2024-25 highlighted below.

ADMINISTRATION:

Strategic Planning & Fiscal Sustainability

- Continued working with all City Departments to implement the City's 2023-2028 Strategic Plan Update.
- Worked closely with all City Departments to prepare the Fiscal Year 2025-26 Operating and Capital Budget. Reassessed all operating accounts and capital expenditures to reprioritize expenditures and presented a fully balanced budget.
- Negotiated and finalized an agreement with EDCO to allow the Transfer Station to capture additional tonnage, thereby increasing and diversifying annual revenue for the City.
- Worked with the Finance Department to strengthen the City's investment portfolios and increase City revenue available to support operations.
- Addressed the City's CalPERS Unfunded Actuarial Liability by implementing the Fresh Start Program and reducing the City's costs and liability over time.
- Worked with the Finance Department to develop a Financial Reserve Policy to guide future financial decisions regarding the City's strategic reserves. Concluded the Fiscal Year with Reserve Funding within the City Council's adopted parameters.

Public Safety & Community Well-being

- Collaborated with the business community to address public safety-related issues.
- Worked with the Police Department and Human Resources Division to address staffing, deployment, and recruitment efforts for the Police Department. Collaborated with the Chief to address overtime needs within the Police Department Operating Budget.
- Worked with the Police Department Command Staff to transition operations to Captain Kenneally; provided ongoing support and mentorship to ensure a successful transition to the new Chief of Police.
- Worked with the Chief of Police to launch a crime monitoring system to make more effective use of Police Department resources.
- Oversaw the Neighborhood Enhancement Team to address various quality of life issues and enhance the City's livability.
- Worked with the City of Long Beach City Manager's Office to address longstanding homeless encampments at Jenni Rivera Park.
- Maintained the City's Zero-Functional Homeless status and worked with the City of Long Beach to address encampments at Jenni Rivera Park
- Initiated a new pilot program for homeless prevention services with Kingdom Causes Bellflower through a collaborative partnership with the City's homeless liaison and the Police Department.

Economic Development & Business Support

- Initiated the Opportunity Study Areas (OSAs) initiative to drive future redevelopment and economic growth in key underutilized areas of Signal Hill and created a dedicated landing page to house key updates, including the Economic Study.
- Completed the Economic Study for the OSA and initiated work to assess infrastructure, zoning, and development standards to develop future overlay zones for consideration by the City Council.
- Executed a Development and Loan Agreement with National CORE for the Walnut Bluff Workforce Housing Development.
- Successfully negotiated a purchase agreement to acquire property on 21st Street to incorporate into the Signal Hill Master Plan.
- Developed an International Council of Shopping Centers (ICSC) branding strategy to promote the City of Signal Hill to developers and retailers at the ICSC conference. Staff developed collateral marketing to highlight the City's OSA sites and attract hotel developers to the Spring/Atlantic site.
- Developed working relationships with the City's auto dealerships to promote city programs and services.
- Continued working with Audi management to coordinate and assist with the planning of the 2025 Grand Opening of the Audi Dealership.
- Implemented a new business check-ins program to assess how the City can support the needs of our business community.
- Developed a Shop Local Campaign as a year-round staple and branding to support local businesses. Finalized the logos and marketing for the Shop Local Campaign
- Launched the Open Rewards program as a part of a larger Shop Local Campaign to support local businesses, resulting in an economic impact of \$64,000, with more than 1,300 users.

Communications

- Leveraged the City's website, social media, print media, and newsletters to highlight City events and communications efforts.
- Published and mailed three editions of the City Views magazine to more than 5,900 households/businesses; published the City's E-Newsletter (12), received by more than 360 subscribers.
- Created short form videos to showcase City events, highlights, resources, programs, and other information, including the Mayor's Minute (2025).
- Highlighted employment opportunities in Signal Hill, including Police Department roles, while showcasing a positive work culture through appreciation days and behind-the-scenes content.
- Worked to increase resident engagement by actively promoting community events and other updates on all social media channels.
- Revised the Small Business Spotlights to highlight local community businesses. Produced a total of six videos.
- Continued to distribute the monthly Senior Scoop to more than 250 subscribers, with focused marketing and attention for seniors ages 50+.

Capital Projects & Asset Management

- Provided executive oversight for the construction of the Hillbrook Park Project and worked with the Public Works & Parks, Recreation, and Library Services Departments to organize a grand reopening event, which included elected officials.
- Worked closely with Public Works to advance renovations to Signal Hill City Hall, including updating design, finishes, fixtures, and addressing structural challenges with the renovation project.
- Provided general oversight and assisted Public Works and Parks, Recreation, and Library Services with the adoption of the Civic Center Master Plan in August 2024.
- Advanced final design of the Civic Center Master Plan Amphitheatre and presented the updated design to the City Council for adoption.
- Worked closely with the Public Works Department on the updated five-year water rate structure and capital program.
- Maintained City assets to ensure these are safe and well-suited to support City services.

Fiscal Year 2025-26 (Year 2):

As we look forward to Year 2 of the Biennial Budget, staff will continue delivering the quality core municipal services that our residents and businesses have come to expect and deserve. These services include the continued expansion of recreation programs, communications, city-wide economic development, Civic Center campus improvements, public safety, code enforcement, and addressing deferred maintenance. The proposed efforts also focus on building and maintaining a work environment that is conducive to retaining and promoting a successful workforce.

In keeping with the City's fiscal sustainability strategy, staff relied on industry forecasts and historical and current data and applied these principles during the budget development process for the FY 2024-26 Biennial Budget. While the economy is still experiencing headwinds that include uncertainty about tariff policies, stubborn inflation, and high interest rates, most economists still believe a recession is unlikely as the labor market remains strong with low unemployment. However, as the Federal Reserve

considers delaying softening interest rates, consumer spending could likely stagnate, having a negative impact on the City's revenue outlook. Much remains to be seen regarding how these factors could affect the overall economy in the long term; therefore, a conservative approach to budgeting remains highly advisable.

Signal Hill Measure R (SHR) and the City's diversified sales tax base have been major contributors to the City's strong financial position. However, sales tax accounts for 68% of total City revenues, and the longer these economic headwinds persist, the more likely they are to have an impact on overall sales tax revenues. Based on the City's sales tax expert, HdL, sales tax business sectors will experience a reduction, slightly offset by an increase in Auto & Transportation and revenues received from State & County Pools. For Year 2, the net Sales and Use Tax proposed budget shows a reduction from the Approved budget of \$1,004,495. Interest Income received from higher interest rates was estimated to remain for the short term in Year 1. In contrast to the initial projection, the Federal Reserve has maintained a low target range strategy, which means the City's investment portfolio will continue to benefit from high investment returns in Year 2. As a result, the projected Interest Income increased \$750,000. Staff will continue to provide periodic budget updates to re-evaluate budgetary assumptions and make necessary adjustments.

While the budget continues to reflect tempered optimism, the ongoing economic challenges may lead to reevaluating spending strategies. The City's future economic health will be dependent on maintaining healthy reserves and planning for long-term fiscal sustainability through fiscally conservative budgets and policies, planning for economic development opportunities, and maintaining its strong financial position through prudent, long-range policy decisions and sound fiscal management.

As noted, the City relies on various funding sources that make up the entirety of its Operating and Capital Budget. The City was a recipient of the following available funding and actively seeks additional outside funding sources for many of the future planned programs and capital improvement projects. The following section provides a summary of revenues, expenditures, reserves, and projects.

Signal Hill Measure R (Measure SHR)

Measure SHR is a three-quarter cent per dollar (0.75%) general transactions and use (sales) tax that helps provide a reliable, locally controlled funding stream, ensuring revenue is not subject to state redirection. For Fiscal Year 2025-26, this tax is estimated to generate approximately \$6.3 million in annual revenues. Measure SHR funding is vital to support programs such as street and pothole repairs, infrastructure maintenance, public area upkeep, 9-1-1 emergency response, and crime prevention.

Federal and State Appropriations

CalTrans Active Transportation Program (ATP) Grant to fund the East Burnett Street Historical District Pedestrian and Bike Enhancement Project. This project is designed to enhance active transportation, offering safe, popular, and healthier modes of travel through improvements such as the installation of sidewalks between Gaviota Avenue and Cherry Avenue, a Class 2 Bike Lane between Walnut Avenue and Dawson Avenue, and

related roadway amenities. Caltrans has approved the grant amount of \$2,785,000 for this project as part of the ATP program. In May 2024, the City Council executed all necessary documents to receive and expend these ATP Cycle 6 grant funds.

The City has successfully secured significant federal and state appropriations for projects. Through the Consolidated Appropriations Act (CAA), passed by Congress on March 15, 2022, the City obtained \$1.8 million via Congressman Alan Lowenthal's office for the Civic Center Parking Lot Improvement Project; this project is slated for completion in Fiscal Year 2026-27.

Additionally, the City received \$5 million in funding through Assembly Bill 178 (Budget Act of 2022), through Senator Lena Gonzalez's office, to build a new amphitheater. This amphitheater comprises the First Phase of the Civic Center Master Plan. The adopted Civic Center Master Plan will continue prioritizing the development of future infrastructure improvements, including the Amphitheater, Community Center, and City Hall, as a multi-phased project that will continue to develop based on funding availability.

Competitive Grant Awards

The City has successfully secured several competitive grants. The City was among 385 grant proposals selected as a recipient of a \$1 million USDA Urban and Community Forestry Grant (2023 Grant Awards), which was approved in August 2024. This funding, made possible by the Inflation Reduction Act, will facilitate the planting of 1,000 new trees within City limits. This project will increase the City's urban forest coverage, enhancing shade equity, reducing urban heat island effects, and promoting improved overall air quality, aesthetics, and walkability. Furthermore, through the Los Angeles County Flood Control District's Safe, Clean Water Program (Measure W) Competitive Grant, the City was awarded \$6.8 million in April 2025. These funds will be used to rehabilitate the existing park and install a new underground infiltration (water treatment) system at Reservoir Park. The program is designed to clean and conserve stormwater. Grant funds are planned for distribution in October 2025.

Long-Term Financial Forecast

Long-term financial forecasts are crucial for sound fiscal management, enhancing transparency, encouraging fiscal discipline, identifying adverse trends, and promoting fiscal sustainability. Financial forecasts help the City Council consider the long-term costs of today's commitments. The Year 2 Operating Budget is part of a greater whole, setting the foundation for future fiscal health. Using the FY 2024-25 actuals and the proposed FY 2025-26 Year 2 budget as a base, staff developed a high-level five-year forecast to provide a generalized outlook toward future revenues, expenditures, and potential changes to the General Fund balance.

The General Fund forecast includes the following assumptions:

- Averaged historical annual trends, industry expert estimates, and Consumer Price Index (CPI) data
- Consideration of only General Fund revenues and expenditures
- Revenues and expenditures providing services at full capacity, including approved decision packages

- Consideration of one-time expenditures
- Measure SHR revenue
- Increases to obligated costs
 - CalPERS Unfunded Accrued Liability
 - Based on the CalPERS July 2024 valuation reports and Fresh Start program
 - California Joint Powers Insurance Authority insurance
 - Based on historical trends
 - Retiree medical costs
 - Based on historical trends
- Other financing sources used to pay debt service expenditures, including the early payoff of the 2018 Library Revenue Bonds in 2028, which also includes the potential for Civic Center Master Plan future funding
- Reserve transfers for Capital Outlay based on a long-range Capital Improvement Program model

Using the General Fund balance as a measure of financial resources, the outlook continues to be positive and is predicted to remain healthy over the long term. However, it is notable that the rising obligated costs could impact future long-term financial strategies. Each year, staff will review and refine the forecast, identifying the impact of one-time costs, analyzing economic changes, and re-examining fund balance targets to ensure adequate reserves are maintained.

General Fund Overview of Year 2 Operating Budget

The General Fund is the general operating fund of the City. All general tax revenues and other receipts not allocated by law or contractual agreement to restricted or special funds are accounted for in the General Fund. Expenditures of this fund include the general operating expenses and capital improvement costs, which are not paid through other funds. The Year 2 Budget is balanced and reflects estimated revenues and transfers-in totaling \$39.7 million, comprised of \$38,418,038 in operating revenues and \$1,250,540 in non-operating revenues. Total appropriations and transfers-out in the amount of \$39,128,578 are included in operating expenditures. Staff would note that during the budget workshop presentation, the City Council approved several decision packages for additional expenditures and transfers-out that are reflected in the budget.

Table 1. General Fund Balance – Year 2

Total Change in Reserve Funds		(6,744,908)
Proposed General Fund Balance at June 30, 2026		\$70,252,452

As presented, staff estimates the General Fund unassigned fund balance will complete Year 2 at \$28,148,774, and the Economic Uncertainties Fund balance will be \$5,895,864. The combined total of the unassigned General Fund balance and the Economic Uncertainties Fund balance is estimated at \$34,044,638; this represents 91% of the General Fund budgeted expenses for Year 2.

Unused appropriations and/or revenues exceeding expenses at the end of every fiscal year revert to the fund balance. This residual fund balance can then be used for one-time expenses (non-operating) or put aside as a reserve for future purposes. When the final year-end audited financial results are completed for Year 2, Staff will propose that the City Council consider any unused appropriations for one-time uses or reserves.

General Fund Revenues

Total Year 2 General Fund revenues, as shown in the table below, equal \$39,163,633, including transfers in from outside the General Fund only. This analysis incorporates the economic outlook, predicting that most of the revenue categories will remain stable. As noted in the Economic Outlook, sales and Use Tax is projected to decline, driven by anticipated loss of consumer confidence caused by the uncertainty of federal tariff policies, which could potentially raise prices of goods and reduce spending in Fiscal Year 2025-26. Projections for Interest Income, included in the Use of Money and Property, are predicated on expectations of the Federal Reserve and anticipated interest rate adjustments. For Year 2, the General Fund is anticipated to receive a total of \$745,595 in transfers. This total includes \$5,000 from Proposition C, \$250,000 from Gas Tax, \$35,100 from Measure R, \$84,000 from Measure W, \$61,044 from Pipeline Removal, and \$310,451 from Planning Grants.

Sales Tax

For Year 2, sales tax makes up approximately 68% of the City's General Fund revenues. In preparing the revenue projections, staff relied on an analysis of actual performance and trends, as well as industry and economic reports. In line with the City's philosophy of fiscal prudence and conservative budgeting practices, staff factored in the overall slowdown in the economy due to the potential implications of Federal tariff policies, inflation, and higher interest rates into the Year 2 estimates. To the extent that these negative economic externalities do not materialize or become mitigated through trade agreements, lowered inflation, and the Federal Reserve lowering interest rates over time, it is possible the City's economic outlook could improve beyond these projections. Nonetheless, staff takes the most conservative approach to revenue forecasting to ensure that decisions regarding future one-time and ongoing expenditures are sufficiently tempered to weather possible economic fluctuations.

Property Tax

Property taxes make up approximately 7% of the City's revenues and are projected to remain stable. The City is considered a no-to-low property tax city, receiving a significantly smaller portion of the property tax dollar, approximately 6 cents, compared to the average city allocation of 11 to 13 cents. Property tax revenues are predominantly a percentage of secured and unsecured taxable assessed values on the current property tax rolls. A second source of property tax revenue is from Vehicle License in Lieu of Fees (VLF) Adjustment Amount, which is based on a percentage of City-wide taxable assessed values. Both of the property tax revenues increase annually in proportion to the growth in assessed valuation. Signal Hill also receives residual property tax revenues from the

Successor Agency (SA) that vary from year to year and are expected to decline as the SA annual loan payments to the General Fund escalate going forward.

Oil Production Barrel Tax

Oil production taxes make up approximately 1% of the City's revenues. The rate per barrel is based on the Producer Price Index. Year 2 includes a conservative estimate, as projected revenues are dependent on fuel prices and supply and demand.

Use of Property and Money

Interest Income and the net investment results, included in the Use of Money and Property category for this fiscal year, are expected to see a boost as near-term interest rates remain high. The long-term outlook predicts a decrease with anticipation of the Federal Reserve softening interest rates. The City's diversified investment portfolio, which is strategically positioned to navigate market fluctuations, includes holdings in California Asset Management Program, California CLASS, Local Agency Investment Fund, Government Securities & Municipal Bonds, Money Market Funds, and Certificates of Deposit.

General Fund Expenditures

Total Year 2 General Fund expenditures (excluding transfers out), as shown in the chart below, equal \$38,045,807. This amount represents continued operations providing full municipal services while also including funding to address deferred maintenance, staffing, and operational and infrastructure needs. Year 2 reflects the collective bargaining agreement adjustments for both labor groups, Signal Hill Employees Association (SHEA) and the Police Officers Association (POA), as well as Police Management and Management/Administrative classifications. Year 2 also includes increasing obligated costs related to contract services, insurance, pension obligations, and unfunded mandates. Based on anticipated revenues, the Year 2 expenditures are proposed to be 5.7% higher than the prior year's current budgeted expenditures of \$35,987,702, largely due to the increase in salary and benefits as a result of the new labor agreements, offset by differences in one-time annual expenditures year to year.

Staff would also note that the City's conservative budget estimates account for staffing at full capacity, which assumes all positions are fully staffed during the entire fiscal year. Budgeting at full capacity is a best practice that allows the City to provide a true accounting of its ongoing annual personnel costs. Actual personnel expenditures accounted for at the end of the fiscal year will be based on actual staffing levels experienced during the fiscal year. The difference between budgeted personnel costs and actual costs may contribute to an operating positive fund balance in that fiscal year.

Budget Uncertainties

As in any given year, a degree of uncertainty surrounds the actual performance of the economy. Staff have identified the following factors for ongoing monitoring in Year 2.

- Global and local economies continue to face ongoing challenges, including tariffs, inflation, and rising interest rates. These Federal policies have increased the cost

of goods for capital projects. Locally, cities also continue to be challenged by unfunded mandates and legislative directives.

- Pension Cost fluctuations caused by CalPERS' continual challenges to meet demographic and discount rate actuarial assumptions, as well as shortened amortization schedules for reducing unfunded liabilities. In Fiscal Year 2023-24, the City took action to mitigate the pension costs by entering a Fresh Start program and making an additional discretionary payment (ADP) to address the City's CalPERS Unfunded Accrued Liability (UAL) costs. The Fresh Start program and ADP helped stabilize the existing UAL annual payment plan and provided several benefits for the City, including a fixed annual dollar payment for increased budget flexibility, a three-year reduction in the UAL amortization schedule, and the potential to save the City \$800,000 in interest costs.

Reserves

As noted, unused appropriations and/or revenues exceeding expenses at the end of every fiscal year revert to the fund balance. Each Funds' balance can then be used for one-time, non-operating expenditures or set aside as a reserve for future purposes. All Committed Reserve funds are represented below:

Table 4. General Fund Reserves

The proposed Year 2 Budget achieves a balanced operating budget and utilizes reserve transfers to fund capital improvement projects, public art installations, and other projects outlined below:

- \$3,322,291 from the Civic Center Master Plan (CCMP) Reserve for the City Hall renovation capital improvement project and Civic Center Master Plan – Phase I (Amphitheater).
- \$2,230,542 from the Capital Improvement Reserve for various capital projects across the City.
- \$1,214,901 from the Land & Building Reserve for the completion of the City Hall Interior Renovation.
- \$540,000 from the General Fund to the Housing Authority as part of the Loan Repayment schedule from the Successor Agency to the City.
- \$355,000 from the Art Reserve for Public Artwork Installations at Heritage Point Park, Hilltop Park, Hillbrook Park, and the Amphitheater.
- \$200,000 from the Facilities Reserve for the Facilities Master Plan – Phase II.

In addition, \$1,082,771 was transferred to reserves, allocated as follows:

- \$500,000 to the Park Reserve for future development.
- \$150,000 to the Facility Reserve to proactively address ongoing and future maintenance needs of public facilities citywide.
- \$100,000 each to the Equipment & Furniture, Police Radio, and Art Reserves to fund the City's future needs (\$300,000 total).
- \$82,771 to the Economic Uncertainties Reserve, bolstering the city's reserves.
- \$50,000 to the General Plan Update, an annual allocation to build this reserve for future uses.

Reserve Policy

In September 2024, the City adopted a Fund Balance Reserves Policy. The policy establishes three reserve types (i.e., Type I, Type II, and Type III). For Type I Reserves, the General Fund Unassigned Balance target is 55-80% of adopted General Fund expenditures, and the Economic Uncertainties Reserve target is 15-20% of the same. The combined threshold for Type I Reserves is 75% to 100% of adopted General Fund Expenditures.

Type I Reserves serve as the primary safeguard against unpredictable adverse events such as economic downturns. This category includes the General Fund Unassigned and Economic Uncertainties Reserves (highlighted in yellow in Table 4. General Fund Reserves). For Year 2, the proposed General Fund Unassigned Balance is \$27.5 million (72% of operating expenditures), and the Economic Uncertainty Reserve is \$5.9 million (16% of operating expenditures). The combined total of these reserves is 88% of Year 2 Operating Expenditures, which means the reserves meet the established target threshold for Type I reserves. Type II Reserves, highlighted in orange in Table 4, include the CalPERS Reserve, OPEB Reserve, and Insurance Reserve; these are specifically designated for their identified purposes. Type III Reserves, highlighted in green in Table 4, function as savings for larger future expenses. The Capital Improvement Project (CIP)

Reserve is a prime example, supporting our multi-year strategy for significant infrastructure projects.

Capital Improvement Plan (CIP)

The CIP Fund is used to account for financial resources segregated for the development, construction, and improvement of City facilities, streets and roads, parks, and water infrastructure. The Year 2 Capital Improvement Plan includes new and existing projects, or project phases, representing an investment of \$20.6 million. The City's CIP plan maximizes the use of one-time and special revenue funds for each project, as detailed in the CIP Schedule. CIP projects for Water use funding from the Water Fund, and do not use the General Fund. In Year 2, grant funding accounts for 18% of total CIP funding.

Water Fund

The Water Fund is an enterprise fund and is used to account for operations financed and operated in a manner similar to a private business enterprise. Costs (expenses, including depreciation) of providing water utility services to the public should be financed or recovered primarily through user charges. After completing the water rate study and Proposition 218 Hearing, the City implemented new water rates for 2025. The sale of water for Year 2 is estimated at \$7,361,861, and the fund balance includes the new General Fund loan proceeds to fund the Gundry Reservoir Roof Replacement & Coating capital improvement project, which will commence in FY 25-26. A summary of the Water Fund budget can be found below.

Table 5. Water Fund

Water Fund	FY2025-26 (Year 2) Proposed Budget
Revenues/Transfers	8,176,229
Operations/Debt Service	7,955,524
Capital Outlay	6,837,795

Special Revenue Funds

Special Revenue Funds are used to account for the revenues derived from specific revenue sources, which are legally restricted and usually required by law or administrative regulation to be accounted for in separate funds. Special Revenue Funds are distinguished from enterprise funds in that the services delivered are financed by a Special Revenue Fund (such as streets), and the user does not pay for the service based on actual use. Special revenues are estimated and included in the annual budget, and the City makes every effort to maximize the use of these funds as allowed. These funds are accounted for in Year 2 as a transfer-in to the recipient fund, as detailed in the Transfer and Special Revenue sections and the CIP schedule.

Community Development Block Grant (CDBG)

CDBG, enacted through the Housing and Community Development Act of 1974, receives and disburses CDBG monies for administration, social service programs, and capital projects. The Los Angeles Community Development Commission estimates the City will receive approximately \$71,001 in Year 2 of CDBG funds, of which \$10,650 will be used for Senior Food Distribution, and \$60,351 will be used for the ADA Street and Sidewalk Improvements Capital Improvement Project.

Capital Grant Funds

The Capital Grant fund houses initial grant awards from external agencies to be used toward capital projects. Capital grants provide contribution funding to cover all or part of the cost of the City's capital improvement projects, such as streets, parks, and infrastructure, and it is the City's priority to pursue and maximize the use of grants on an annual basis.

Vehicle Replacement (Fleet Fund)

The Fleet Fund is an internal service fund intended to fund the replacement of City vehicles and maintenance and repair services. The fund is structured on a break-even basis, where costs are allocated back to each department's overhead budget. The Fleet Fund's cash balance is estimated to be at \$1,030,102 at the end of Year 2. Proposed fleet purchases, based on the City's Vehicle Replacement Policy, are detailed below.

Vehicles are replaced based on an annual assessment, specifically when they've reached the end of their service life or are experiencing mechanical issues that necessitate a repair beyond the value of the vehicle. The typical replacement schedule varies by vehicle type: police vehicles are generally replaced after four years or 80,000 miles, while city light-duty vehicles are replaced when they are 10 to 12 years old. When feasible and practical, alternative fuel vehicles are used as replacements.

Table 6. Vehicle Replacement Fund

**These vehicles are all electric vehicles.

Conclusion

The City's fiscal practices, which include consideration of future needs and strategic long-term planning, have enabled our City to achieve and maintain a positive, stable financial condition. Staff approached the creation of the budget in conjunction with the discussion surrounding the implementation of the Strategic Plan. Staff prepared the City's budget in a very conservative and prudent manner, incorporating current and future economic indicators regarding revenue estimates and expenditures. The City's long-standing tradition of fiscal prudence and careful stewardship of financial resources has allowed the City to grow and thrive over the years.

As always, the entire Executive Management Team will continue seeking opportunities to improve efficiencies, reduce costs, and respond effectively to external economic forces that impact available resources. Staff will continue building on the accomplishments that have created fiscal stability for the City of Signal Hill and continue to focus on preserving a high quality of life for residents and the business community. Signal Hill has maximized opportunities while meeting challenges and continues to deliver valuable municipal services and important capital projects. The City will continue to embrace the ideals of conservative fiscal policy, forward thinking, and strategic planning as we face the future.

City of Signal Hill

Five Year Strategic Plan

2023-2028

GOAL 1: Financial Stability

Ensure the City's long-term financial stability and resilience.

GOAL 2: Community Safety

Maintain community safety by supporting public safety services and increasing emergency preparedness.

GOAL 3: Economic & Downtown Development

Improve the local economy, support local businesses, and create a vibrant downtown core.

GOAL 4: Infrastructure

Maintain and improve the City's physical infrastructure, water system, and recreational spaces.

GOAL 5: High-Functioning Government

Strengthen internal communication, recruitment, retention, systems, and processes to increase the effectiveness and efficiency of City services.

CITY OF SIGNAL HILL FINANCIAL PRACTICES

For the past several years, the City Council and staff have followed prudent fiscal practices that have enabled the City to achieve and maintain a positive, long-term stable financial condition. These practices, which have guided the City's budgeting and financial planning, are stated as financial policies.

1. The Director of Finance shall annually prepare a General Fund Analysis of Structural Balance to determine that a structural deficit does not exist.
2. The City Manager shall submit a structurally balanced General Fund budget to the City Council. A structurally balanced budget requires that recurring revenues equal or exceed recurring expenditures.
3. The City shall maintain a combined General Fund reserve and Economic Uncertainties reserve equivalent to a minimum of six months operating expenses.
4. The General Fund and Economic Uncertainties reserves shall only be used for cash flow purposes, loans to other funds, major citywide emergencies (e.g., earthquakes, floods, or fire), severe economic downturns, or loss of a major sales tax provider.
5. When fiscally prudent, Special Reserve Funds should be established for identified, future major expenditures such as OPEB Costs, PERS, and Facilities. These Reserves should be clearly identified in the Annual Budget.
6. Non-recurring resources will be used for non-recurring expenditures such as contributions to reserves, debt retirement, and/or capital projects.
7. The Annual Budget shall include a General Fund Five-Year Forecast of Revenues, Expenditures, and Fund Balances to help identify possible future financial problems.
8. The Annual Budget shall include assumptions covering such factors as projected CPI, interest rates, PERS Safety and Miscellaneous rates, new building activity etc. underlying budget estimates.

DESCRIPTION OF FUNDS

General Fund (100)

The General Fund is the operating fund of the City. All general tax revenues and other receipts allocated by law or contractual agreement to other funds are accounted for in this fund. Revenues deposited into the General Fund include, but are not limited to, property tax, sales tax, real property transfer tax, franchise tax, business license tax, oil production taxes, transient occupancy tax, NPDES tax, fines and forfeitures, and fees for services. This fund is used to finance most of the City's basic services including general administration, finance, parks, recreation and library services, community development, public works, and public safety.

Special Revenue Funds

Special Revenue Funds are used to account for revenues derived from specific sources, which are usually required by law or administrative regulation, to be accounted for in a separate fund.

Community Development Block Grant Fund (201)

Enacted through the Housing and Community Development Act of 1974, the Community Development Block Grant (CDBG) Fund receives and disburses CDBG monies for administration, social service programs, and capital projects.

Proposition A Fund (202)

The Transportation Fund receives and disburses the City's share of the Los Angeles County sales tax of one-half percent (.5%) for public transportation purposes in accordance with "Proposition A."

Proposition C Fund (203)

The Proposition C Fund receives and disburses the City's share of the Los Angeles County sales tax increase of one-half percent (.5%) for public transportation purposes in accordance with "Proposition C." These funds are administered by the Metropolitan Transportation Authority (MTA).

Park Development Impact Fee Fund (204)

The Park Development Fees Fund receives and transfers the impact fees collected from residential and commercial developers under the provisions of the Chapter 21.40 of the Signal Hill Municipal Industrial Code to fund acquisition, industrial improvement, and expansion of park and recreational facilities within the City.

TDA Article III Fund (205)

The TDA Article III Fund receives the City's share of Transportation Development Act (TDA) Article III monies remitted by the Los Angeles County Metropolitan Transportation Authority. Funds are allocated annually on a per capita basis and may be used or placed on reserve to fund eligible projects.

Housing Impact Fee Fund (221)

The Housing Impact Fund receives and transfers the revenue from the sale of new residential properties, as specified in the Hilltop Disposition and Development Agreement, to assist in funding low-income housing developments.

Housing Authority Fund (223)

The Housing Authority Fund is the successor to the Redevelopment Agency Low and Moderate Income Fund (LMI). The Housing Authority is the property manager for Authority owned properties, monitors affordable housing covenants, and works to develop affordable housing.

Civic Center Phase 2 Library Fund (224)

Funding sources for the design and construction of the Signal Hill Public Library.

Lease Revenue Bond Fund (225)

This fund was established in Fiscal Year 2017-18 to account for the proceeds from the sale of the Signal Hill Municipal Financing Authority's Lease Revenue Bonds (Library Project), Series 2018.

Gas Tax Fund (230)

The Gas Tax Fund receives and disburses the state gasoline tax collected and apportioned to the City in accordance with the provisions of the State of California Streets and Highways Code, Sections 2104, 2105, 2106, 2107, and 2107.5.

Air Quality Improvement Trust Fund (232)

The Air Quality Improvement Trust Fund receives and disburses the revenues apportioned to the City from the Southern California AQMD fees on motor vehicle registrations. These funds are used for programs designed to reduce air pollution from mobile sources.

Traffic Development Impact Fee Fund (233)

The Traffic Impact Fund receives and transfers the impact fees collected from residential and commercial developers under the provisions of Chapter 21.48 of the Signal Hill Municipal Industrial Code to fund the acquisition, improvement and expansion of street, parkway, thoroughfare, intersection, and other traffic and circulation improvements made necessary by certain new development projects.

Pipeline Removal Fund (234)

The Pipeline Removal Fund includes the fees paid by franchisees on idle pipelines for future removal costs.

MTA-STP Grant Fund (235)

The MTA-STP Grant Fund accounts for the receipts and disbursements of grant funds awarded by the Los Angeles County Metropolitan Transportation Authority for eligible capital improvement projects, such as the City's pavement management program.

Measure R Fund (236)

The Measure R Fund receives and disburses the City's share of the Los Angeles County sales tax increase of one-half percent (.5%) for traffic improvement transportation projects in accordance with "Measure R."

Measure M Fund (237)

The Measure M Fund receives and disburses the City's share of the Los Angeles County sales tax increase of one-half percent (.5%) for traffic improvement transportation projects in accordance with "Measure M," the Los Angeles County Traffic Improvement Plan. This plan is administrated by the Los Angeles County Metropolitan Transportation Authority (MTA). The one-half of one percent (.5%) Sales Tax within Los Angeles County will increase to one percent (1%) on July 1, 2039, when the Measure R tax of one-half of one percent (.5%) tax imposed by the MTA expires.

Road Maintenance Rehabilitation Account Fund (238)

On April 6, 2017, the Road Recovery and Accountability Act was passed. This legislation provides funding to the City of Signal Hill through Senate Bill 1 and the Highway Users Trust Account (HUTA) revenues. These funds are designated for maintenance and rehabilitation of roadways.

Measure W Fund (239)

The Measure W Fund receives and disburses the City's share of the California parcel tax increase of \$0.025 per square foot of impermeable property for funding projects in accordance with the expenditure plan in an Ordinance amending the District Code establishing the Los Angeles Region, Safe, Clean Water Program. Projects include but are not limited to; increasing stormwater capture and reducing urban runoff pollution which may increase water supply; improve water quality; and provide community investment benefits as defined in the Ordinance. The County Auditor-Controller places the tax on the secured roll, and the County Treasurer and Tax Collector ("Treasurer") will collect the tax.

Capital Grants Fund (240)

The Capital Grants Fund was established to account for grants from external agencies to be used for capital projects.

Planning Grants Fund (241)

The Planning Grants Fund was established to account for grants from external agencies to be used for planning projects.

Measure A Fund (242)

Measure A was drafted to meet current and future park needs, and its content reflects the findings based on the City's Master Plan. Generating more than \$90 million per year for the county's local parks, beaches, and open space areas, Measure A is an annual parcel tax of 1.5 cents per square foot of improved property and includes both formula-based allocations to Study Areas and competitive grants that are open to public agencies, non-profit organizations, and schools. Unlike Proposition A, Measure A does not have an expiration date.

Prop 68 – Parks and Recreation Fund (243)

Prop 68 (the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018) authorized \$4 billion in general obligation bonds for state and local parks, environmental protection projects, water infrastructure projects, and flood protection projects. These funds will be distributed through grant programs administered by a number of agencies and organizations, including the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy and the Ocean Protection Council.

Lighting and Landscape Maintenance District #1 Fund (260)

The Lighting and Landscape Maintenance District #1 Fund accounts for all financial activity related to the City's landscape and lighting district. Revenues include assessments to property owners within the district and expenditures that relate to the maintenance and upkeep of the district.

Public Safety Grants (270) (Formerly Named UASI Grant Fund)

The Public Safety Grant Funds provides a compilation of various grants to enhance public safety. Such as, the UASI Program assists high-threat, high-density Urban Areas in efforts to build and sustain the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism. As well as the State Homeland Security Program, which relates to the purchase of equipment to enhance the protection of critical facilities and staff training to support mitigation and response to terrorism incidents.

Asset Seizure Grants – Federal Fund (271)

The Department of Justice Asset Forfeiture Program encompasses the seizure and forfeiture of assets that represent the proceeds of or were used to facilitate federal crimes.

L.A. Impact Grant Fund (272)

The Los Angeles Interagency Metropolitan Police Apprehension Crime Task Force (L.A. IMPACT) grant funds provide for a compilation of numerous federal, state and local law enforcement agencies in Los Angeles County whose primary focus is to investigate major crimes, with an emphasis on dismantling mid to major level drug trafficking organizations.

Asset Seizure Fund - State (274)

The Asset Seizure Fund accounts for the portion of seized monies and property returned to the City for narcotic enforcement and other related activities, pursuant to Federal and State asset forfeiture laws.

State Police Grants Fund (275)

The DUI Checkpoint Grant Fund receives and disburses monies awarded to the City by the State of California Office of Traffic Safety for public safety overtime related to the enforcement of California's DUI laws.

Supplemental Law Enforcement Fund (277)

The Supplemental Law Enforcement Fund accounts for the receipts and disbursements of monies awarded to the City under the Citizens Option for Public Safety program (otherwise known as COPS). The grant was established by State Assembly Bill (AB) 3229 and is appropriated through its Supplemental Law Enforcement Fund.

American Rescue Plan Act Fund (280)

On March 11, 2021, President Biden signed into law the \$1.9 trillion relief bill commonly referred to as the American Rescue Plan Act of 2021 (ARPA). The relief package provides funding in several areas such as state and local aid, education, rental assistance, transit, stimulus payments for individuals, and other provisions. As provided for in ARPA, states and local governments will receive \$350 billion in additional funding from the U.S. Treasury. These funds may only cover costs incurred by December 31, 2024, and must be expended by December 31, 2026. These funds were expended as of June 30, 2024, and have concluded.

Water Development Impact Fee Fund (550)

The Water Development Fund receives and transfers the impact fees collected from residential and commercial developers, under the provisions of the Signal Hill Municipal Code Chapter section 21.44, to fund the reasonable costs of constructing new water facilities made necessary by development projects.

Capital Project Funds

Capital Improvement Projects (CIP) Fund (400)

Capital Projects Funds are used to account for financial resources for capital outlay expenditures, including the acquisition or construction of capital facilities and other capital assets.

Enterprise Funds

Water Enterprise Fund (500)

The Water Enterprise Fund accounts for all financial activity relative to the purchase, production, storage, and distribution of water used by the community, as well as the maintenance, repair, and replacement of related equipment and pipelines. Revenues consist primarily of water sales.

Water Depreciation Reserve Fund (510)

The Water Depreciation Reserve Fund is reserved for the future replacement of the City Water Department's equipment used for the production, storage, and distribution of water used by the community.

Internal Service Funds

Vehicle Replacement Fund (601) The Garage Internal Service Fund accounts for the furnishing of vehicle and equipment services to the departments within the City. Costs of materials and services used are accumulated in this fund and charged to the user departments as such vehicles and equipment are used or services rendered.

Description of Reserve Funds

The City retains Special Reserve Funds that are used to plan for replacement or improvement of current assets, or to provide stability due to unforeseen economic events.

Economic Uncertainties Reserve Fund (110)

The Economic Uncertainties Reserve Fund is reserved for use in the case of an unforeseen economic event, such as a major sales tax producer going out of business, relocating, or temporarily out of business. This reserve is now classified as a Type I reserve created to prepare for the future, unpredictable adverse events such as recessions, which are the most prevalent source of financial instability for local governments.

Land and Building Reserve Fund (111)

The Land and Building Reserve Fund is reserved to fund future land and building purchases for the expansion of public facilities.

Equipment Reserve Fund (112)

The Equipment Reserve Fund is reserved for the future replacement of the City's computers and associated printers, scanners and displays, telephone system, and copiers.

Capital Improvement Fund (113)

The Capital Improvement Fund is reserved to contribute to the General Fund's portion of Capital Projects, primarily the pavement management program and major street projects.

Insurance Reserve Fund (114)

The Insurance Reserve Fund is reserved to level the effect of the rising cost of general liability and workers' compensation insurance and to provide funds, should insurance losses occur.

PERS Reserve Fund (115)

The PERS Reserve Fund is reserved to level the effect of the City's PERS liability cost.

OPEB Reserve Fund (116)

The Other Post-Employment Benefits (OPEB) Reserve Fund is reserved to level the effect of other post-employment benefits liabilities as required by GASB 45/75.

Park Reserve Fund (117)

Civic Center Master Plan Reserve (119) (Formerly Named Library/Civic Center Reserve Fund)

The Library/Civic Center Reserve Fund is reserved to fund future redevelopment of the Civic Center Campus.

100th Anniversary Reserve Fund (120)

The 100th City Anniversary Reserve Fund is being funded \$10,000 a year until fiscal year 2023-24 when the City reaches its 100th Anniversary of incorporation. The \$100,000 will be used to host celebration events and to fund promotional materials and projects.

General Plan Update Reserve Fund (121)

The General Plan Reserve Fund is being funded \$50,000 a year to help fund the updates to the components of the General Plan.

Economic Development Reserve Fund (122)

The Economic Development Reserve Fund was established to promote economic growth in the City.

Workforce Innovation Reserve Fund (123)

The Workforce Innovation Reserve is reserved to fund future expenditures related to enhancing or augmenting the City's workforce.

Facility Reserve Fund (124)

The newly created Facility Reserve Fund was established to proactively address the ongoing and future maintenance needs of public facilities across the City.

Art Reserve Fund (125)

The newly created Art Reserve Fund was established to secure funding availability for the development and installation of public art initiatives. The city funds this reserve with \$25,000 on a yearly basis when possible.

DESCRIPTION OF REVENUES

The City of Signal Hill receives revenue from a wide variety of sources. The following summary of the revenues will provide the reader with insight into these sources, as well as provide a foundation for the budget estimates.

General Fund (100)

Property Tax

Property taxes, in the State of California, are administered at the county level for all local agencies, and consist of secured, unsecured, and utility tax rolls.

Sales and Use Tax

In accordance with the California Revenue and Taxation Code and the Bradley-Burns Uniform Local Sales Use Tax Law of 1955, the State of California imposes Sales and Use Tax on the taxable sales within the City. The City receives 1% of the Sales and Use Taxes collected, with the remaining portion shared by the State, County, and Transportation District. On November 3, 2020, the Signal Hill residents voted in Measure (Signal Hill) R (SHR), a new $\frac{3}{4}$ cent per dollar (0.75%) general transactions and use (sales) tax or district tax to be used to fund local services and repair and maintain local infrastructure and facilities within Signal Hill. Sellers are required to report and pay the applicable district taxes for their taxable sales and purchases.

Traffic Safety

This fund includes the City's portion of revenues from fines for violation of the California Vehicle Code. These funds are used for public safety expenditures.

Franchise Fees

This is revenue received for the right to use public property for oil and gas lines in the streets, on poles, and overhead lines for public utilities, and for the exclusive right to provide water, cable television, or refuse collection services.

Business License Tax

This is revenue from businesses and occupations that must be licensed prior to operating in the City. A provision for construction contractors allows for the purchase of a business license for either six or twelve months.

Oil Production Taxes

This is revenue from the per barrel levy on oil production. The rate is adjusted annually based on changes in the Producer Price Index for Crude Oil Production.

Transient Occupancy Taxes

The City of Signal Hill Municipal Code authorizes the City to levy a tax for the privilege of occupying lodgings on a transient basis for thirty consecutive calendar days or less.

Dog Licenses

The City of Long Beach Animal Control Bureau issues licenses for the City of Signal Hill.

Building, Plumbing, and Electrical Permits

The Community Development Department, within the Planning and Building Safety programs, issues building, plumbing, electrical, and other types of building permits for the construction of residential and commercial/industrial structures to ensure Code compliance.

Alarm System Permit

Revenue from issuance of alarm system permits for residential and commercial buildings.

Fines and Forfeitures

The California Vehicle Code and the City of Signal Hill Municipal Code allow for the imposition of civil penalties for parking violations. Parking penalties are collected by the City. Fines assessed for moving violations of the California Vehicle Code and non-parking violations of the City of Signal Hill Municipal Code are collected by the Los Angeles County Municipal Court and partially remitted to the City. The City's towing service collects fines for police impound and towing fees. Additionally, the City independently collects revenue through code enforcement fines.

False Alarms

Revenue generated from police response to false alarms for residences and businesses.

Interest on Investments

The City of Signal Hill invests idle funds in various instruments allowed under the City's Investment Policy, which is governed by State law and reviewed annually by the City Council. Investment earnings are allocated to various funds on the basis of proportionate cash balances.

Rents and Concessions

Fees are charged for the use of City land, buildings, and equipment. Revenue is also generated from commissions from telephone and vending machine use.

Royalties

These are revenues generated from royalties earned on subsurface oil and gas leases.

Intergovernmental – State

This includes revenues that are collected by the State and returned to the City and reimbursement for State programs. Some of the revenues remitted from the State are Motor Vehicle In-Lieu Tax, POST Reimbursement, and Homeowners' Property Tax Exemption.

Intergovernmental – County

The County of Los Angeles remits one-half of the Documentary Transfer Tax collected by the County Recorder when property changes ownership.

Charges for Current Service

Administration - Fees are collected for elections.

Parks and Recreation – Fees are charged for special interest classes, sports leagues, community services events and excursions.

Library Fees and Fines – Fees and fines are charged for overdue or lost books and materials, as well as revenue from the sale of books.

Finance - Fees are charged for the processing of business licenses.

Planning and Building Safety – Fees and Developer Deposits are collected for services such as City and consultant staff time for development review, plan checks, building permits, and inspections.

Police - Fees are collected for bookings and vehicle impounds.

Other Revenue

These revenues include recovery of mandated costs, sale of property, insurance refunds, and other reimbursements, private contributions or grants.

Fund Transfers

Fund transfers from special revenue funds or reserve funds to cover general fund expenditures to be reimbursed from these funds.

Community Development Block Grant Fund (201)

This fund includes grant funds received from the Federal Community Development Block Grant (CDBG) programs that are administered by the Los Angeles County Community Development Commission. These funds are used for social services, capital improvements, and the administration of these programs.

Proposition A Fund (202)

This fund includes the City's allocation of the ½ cent Los Angeles County Transportation tax. The allocation is based on population and sales tax ratio and must be used for public transportation purposes. These funds are used to fund Recreational Transportation, the Bus Fare Subsidy, Dial-A-Ride, and bus stop maintenance programs.

Proposition C Fund (203)

Revenues from the City's share of the Los Angeles County sales tax increase of one half percent (.5%) for public transportation purposes in accordance with Proposition C, administered by the Metropolitan Transportation Authority (MTA).

Park Development Impact Fee Fund (204)

This fund includes impact fees collected from residential and commercial developers, under the provisions of the Chapter 21.40 of the Signal Hill Municipal Industrial Code, to fund acquisition, industrial improvement and expansion of park and recreational facilities within the City.

Housing Impact Fund (221)

This fund includes the revenue from the sale of new residential properties, as specified in the Hilltop Disposition and Development Agreement, to assist in funding low-income housing developments.

Gas Tax Fund (230)

This fund includes the City's allocation of gasoline tax revenues pursuant to Sections 2105, 2106, 2107, and 2107.5 of the California Streets and Highways Code. These funds are used to reimburse the General Fund for street maintenance and repairs.

Air Quality Improvement Trust Fund (232)

This fund is used to support the South Coast Air Quality Management District's (SCAQMD) programs to reduce air pollution from motor vehicles. The funds are the result of an additional tax on motor vehicle registration.

Traffic Development Impact Fee Fund (233)

This fund includes impact fees collected from residential and commercial developers under the provisions of the 21.48 of the Signal Hill Municipal Industrial Code to fund the acquisition, improvement, and expansion of street, parkway, thoroughfare, intersection, and other traffic and circulation improvements made necessary by certain new development projects.

Pipeline Removal Fund (234)

This fund includes the fees paid by franchisees on idle pipelines for future removal costs.

MTA-STP Grant Fund (235)

This fund receives grant funds awarded by the Los Angeles County Metropolitan Transportation Authority for eligible capital improvement projects, such as the City's pavement management program.

Measure R Fund (236)

A ½ cent sales tax for traffic improvement transportation projects was approved by Los Angeles County voters in November 2008. These funds are administered by the Metropolitan Transportation Authority (MTA).

Measure M Fund (237)

The Measure M Fund receives and disburses the City's share of the Los Angeles County sales tax increase of one half percent (.5%) for traffic improvement transportation projects in accordance with "Measure M," the Los Angeles County Traffic Improvement Plan. This plan is administrated by the Los Angeles County Metropolitan Transportation Authority (MTA). The one-half of one percent (.5%) Sales Tax within Los Angeles County will increase to one percent (1%) on July 1, 2039, when the Measure R tax of one-half of one percent (.5%) tax imposed by the MTA expires.

Road Maintenance Rehabilitation Account Fund (238)

On April 6, 2017, the Road Recovery and Accountability Act was passed. This legislation provides funding to the City of Signal Hill through Senate Bill 1 and the Highway Users Trust Account (HUTA) revenues. These funds are designated for maintenance and rehabilitation of roadways.

Measure W Fund (239)

The Measure W Fund receives and disburses the City's share of the California parcel tax increase of \$0.025 per square foot of impermeable property for funding projects in accordance with the expenditure plan in an Ordinance amending the District Code establishing the Los Angeles Region, Safe, Clean Water Program. Projects include but are not limited to; increasing stormwater capture and reducing urban runoff pollution which may increase water supply; improve water quality; and provide community investment benefits as defined in the Ordinance. The County Auditor-Controller place the tax on the secured roll, and the County Treasurer and Tax Collector ("Treasurer") will collect the tax.

Measure A Fund (242)

Measure A was drafted to meet current and future park needs, and its content reflects the findings based on the City's Master Plan. Generating more than \$90 million per year for the county's local parks, beaches, and open space areas, Measure A is an annual parcel tax of 1.5 cents per square foot of improved property, and includes both formula-based allocations to Study Areas and competitive grants that are open to public agencies, non-profit organizations, and schools. Unlike Proposition A, Measure A does not have an expiration date.

Prop 68 – Parks and Recreation Fund (243)

Prop 68 (the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018) authorized \$4 billion in general obligation bonds for state and local parks, environmental protection projects, water infrastructure projects, and flood protection projects. These funds will be distributed through grant programs administered by a number of agencies and organizations, including the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy and the Ocean Protection Council.

Lighting and Landscape Maintenance District #1 Fund (260)

Property owners in the Lighting and Landscape Maintenance District (commonly known as the California Crown Development) are assessed to pay for the expenditures necessary to maintain the community lighting and landscaping located within the district. The assessment is billed by the County of Los Angeles as part of the annual property tax bill.

Asset Seizure Federal (271) and State (274) Funds

In accordance with Federal and State asset forfeiture laws, the City of Signal Hill receives funds from asset seized in criminal activities. These funds must be used for Federal and State approved police expenditures.

Supplemental Law Enforcement Fund (277)

Revenues received from AB3229 providing additional law enforcement support.

American Rescue Plan Act Fund (280)

On March 11, 2021, President Biden signed into law the \$1.9 trillion relief bill commonly referred to as the American Rescue Plan Act of 2021 (ARPA). The relief package provides funding in several areas such as state and local aid, education, rental assistance, transit, stimulus payments for individuals, and other provisions. As provided for in ARPA, states and local governments will receive \$350 billion in additional funding from the U.S. Treasury. These funds may only cover costs incurred by December 31, 2024 and must be expended by December 31, 2026. These funds were expended as of June 30, 2024 and have concluded.

Water Fund (500)

The Water Fund receives the majority of its revenues from the sale of water, however, additional revenues are received for new service meters and installations and other service charges.

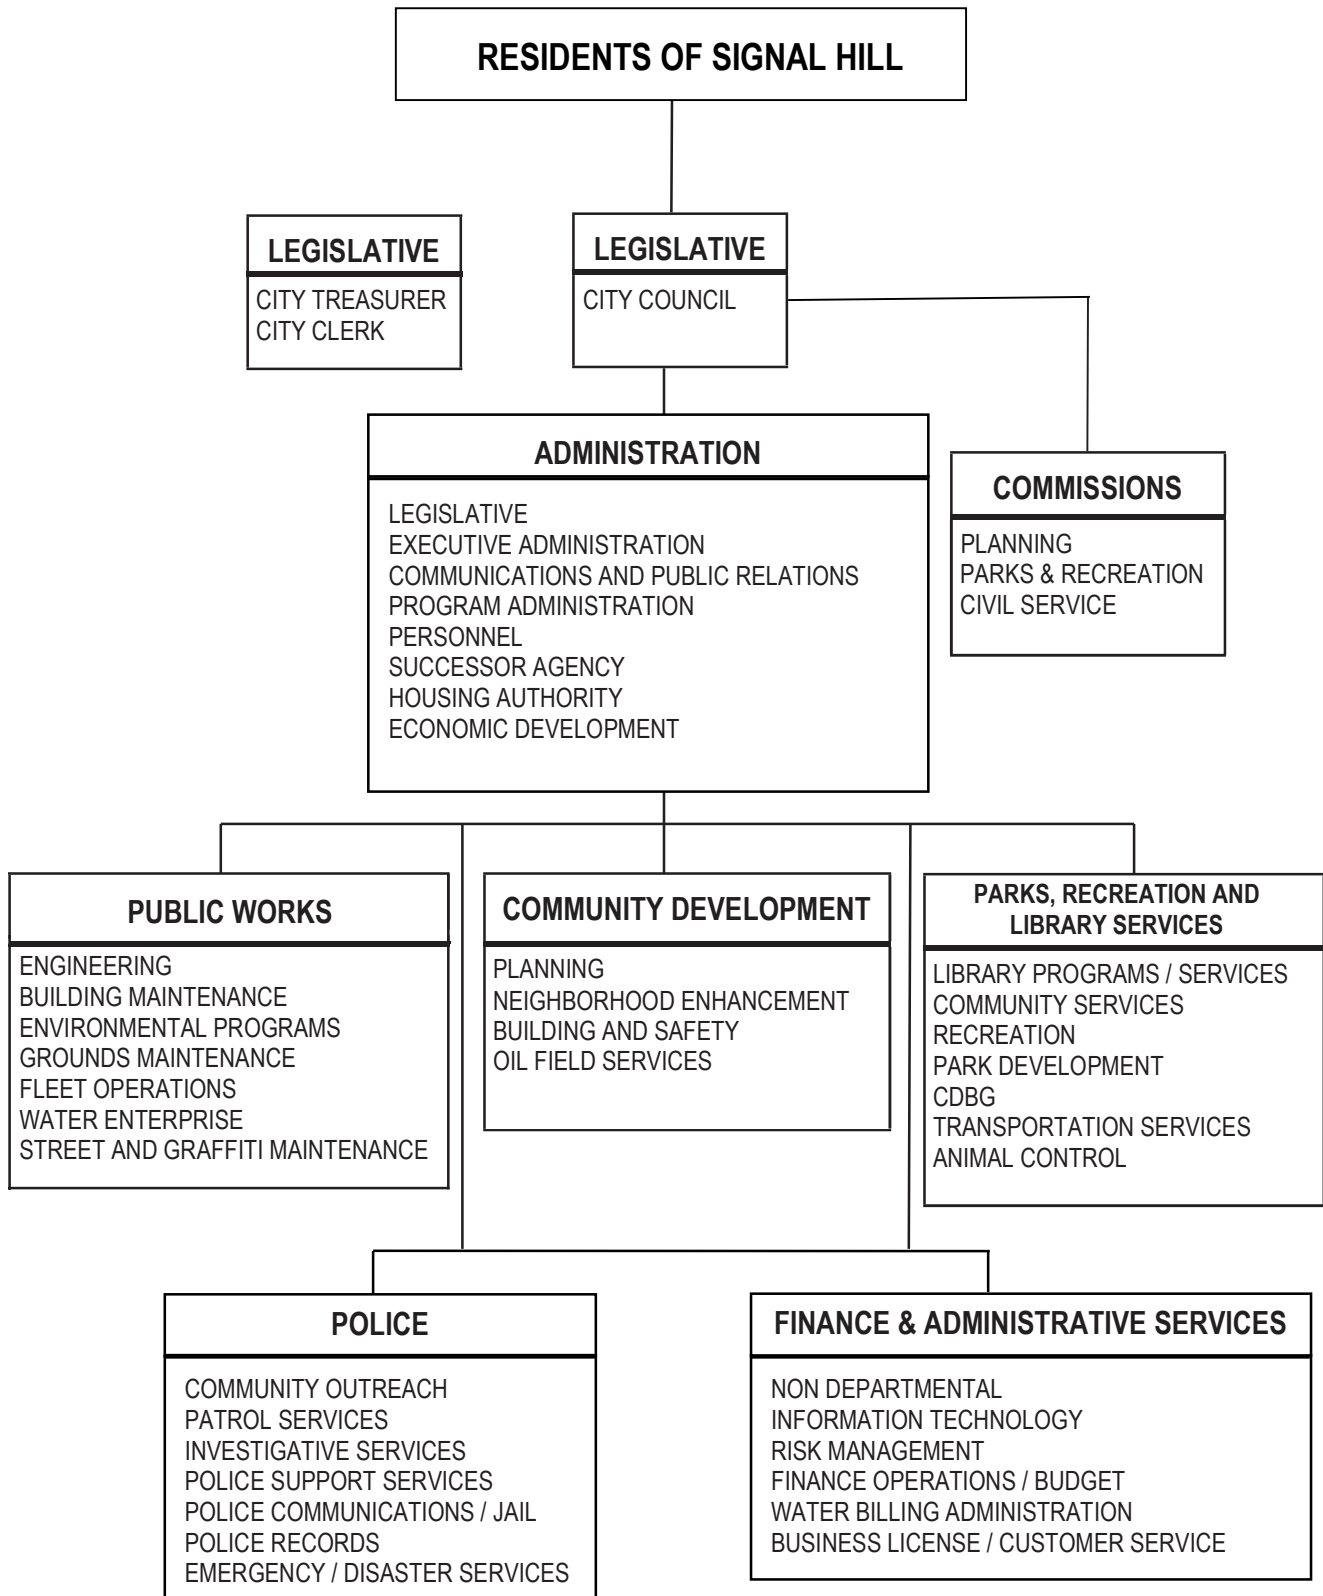

Water Development Impact Fee Fund (550)

This fund includes impact fees collected from residential and commercial developers, under the provisions of the 21.44 Signal Hill Municipal Industrial Code, to fund the reasonable costs of constructing new water facilities made necessary by development projects.

Vehicle Replacement Fund (601)

The Vehicle Replacement Fund charges the appropriate departments for maintenance and replacement of the City vehicles and major equipment. Additionally, the Vehicle Replacement Fund receives revenues from the proceeds of retired vehicles and equipment that are sold for surplus.

Information Technology (IT)

Fiscal Services

Department Description:

The Finance and Administrative Services Department is responsible for the fiscal affairs and overall financial management of the City to provide timely, accurate, and relevant budgetary and financial information to the City Council, the City Administration, residents, and customers. This includes establishing and maintaining strong internal controls that carry out City policies and ensure compliance with established accounting standards. Operational responsibilities include the handling of cash receipts, cash disbursements, recording of all financial transactions, payroll processing, preparation, development, maintenance, and monitoring of the City budget, maintaining the general ledger, financial reporting, risk management, debt service, investment of surplus cash, and safeguarding the City's financial assets. The Finance and Administrative Services Department also plays a vital role in supporting billing and customer service operations for water customers, permit applicants, municipal fee payers, and licensing applicants, ensuring efficient and effective service delivery across various city functions. Additionally, the Finance and Administrative Services Department oversees information technology functions and non-departmental activities, and provides generalized support services for the City, including liability protection and retirement administration.

Department Programs:

Non-Departmental

Information Technology (IT)

Fiscal Services

Department Goals:

To provide the fiscal, technology, and management support services necessary to ensure the efficient and effective performance of all City operations consistent with established laws and practices. To achieve this goal, the Finance and Administrative Services Department is organized into three programs: Non-Departmental, Information Technology, and Fiscal Services.

Oil Field Services

Department Description:

The Community Development Department has four Divisions: Planning, Building Safety, Neighborhood Enhancement, and Oil Field Services. Planning includes coordination of development applications and project review for consistency with the General Plan and Municipal Code regulations and provides staffing for the Planning Commission. Building Safety includes tracking of interdepartmental and intradepartmental reviews for development projects, plan check of construction plans, issuance of permits, and property inspections during construction. Neighborhood Enhancement includes code enforcement, provides staffing for the Sustainable City Committee and neighborhood improvement programs. Oil Field Services includes oversight of compliance with provisions of the City's Oil and Gas Code, and inspection of oil field facilities.

Department Divisions:

Planning

Neighborhood Enhancement

Building Safety

Oil Field Services

Departmental Goals:

1. Coordinate review of development projects, fast track entitlements for economic development projects, prioritize 6th Cycle Housing Element affordable projects, assure that all new development is of high-quality design, function, inclusion of placemaking elements and compliance with State and City stormwater and water conservation regulations. Assure conformance with the General Plan and relevant provisions of the Municipal Code with focus on Zoning, and Oil and Gas Codes.
2. Proactively enforce the Municipal Code and amend it as necessary to maintain and enhance the appearance of the City.
3. Assure that all development projects are of sustainable design and high-quality construction through plan review and inspections and assure conformance with California Building Codes.
4. Enforce the City's Oil and Gas Code, including provisions related to development of properties with abandoned oil wells and operational standards such as noise, safety, and appearance.
5. Participate in consultant selection and preparation of the Opportunity Study Areas Analysis as a foundation to updating the Land Use and Circulation Elements of the General Plan.
6. Finalize the Draft Environmental Justice Element, and the Draft Environmental Resources Element and proceed with updates to the Safety and Noise Elements. Establish a schedule to complete updates to all six General Plan Elements required by the State and to maintain "current" status for all.

Department Description:

The Signal Hill Police Department is a full-service law enforcement agency responsible for the prevention of crime, promotion of traffic safety, enforcement of all state and local laws, protection of life and property, preservation of peace, and apprehension of criminals. The Department responds to and investigates all reports of criminal activity and emergency situations, enforces state and local traffic ordinances, and performs public assistance as called upon to ensure public safety. The Police Department wholeheartedly embraces the philosophy of community-oriented policing, and actively participates in Community Outreach Programs such as the Police Community Volunteer Program, Juvenile Diversion, Annual Open House, National Night Out, Citizen Police Academy, and Neighborhood Watch. For management and budgetary purposes, the Police Department is divided into seven service programs: Community Outreach, Patrol Services, Investigative Services, Police Support Services, Police Communications/Jail, Police Records, and Emergency/Disaster Services.

Department Goals:

The Police Department is "Committed to Excellence in Service" and provides a high level of public safety services, in a collaborative partnership with the community. As the public safety provider for the City, the Police Department is invested in providing a safe environment for all community members and visitors to the City. The Police Department strives to be compassionate to everyone on a daily basis and assist in any way possible. This includes working with the homeless population, the youth of our community, and our business partners to enhance the quality of life in Signal Hill.

Department: Police**Program: Emergency/Disaster Services (77)****Program Description:**

Emergency/Disaster Services and the Emergency Management Coordinator's (EMC) main function is to assist the City of Signal Hill in the mitigation, preparation, response, and recovery before, during, and after a disaster, incident, or event. This also includes the management and oversight of the City's Emergency Operations Center and the Homeland Security Grant program and related projects. In addition, this program oversees the development and update of emergency response, continuity of operations, and safety/hazard planning on a Citywide basis. The EMC role works to produce and deliver training and exercise in Incident Command and emergency response for City staff, residents (such as a CERT team), and partner agencies and organizations.

Objectives:

1. Expand community outreach to residents on emergency planning and preparedness.
2. Develop a plan to re-establish the City's CERT program.
3. Continue to work with the region and Disaster Management Area Coordinators (DMAC) to secure Homeland Security Grant Funding.
4. Coordinate with City HR to establish an onboarding training plan for new employees in FEMA Incident Command.
5. Upgrade technology in City's Emergency Operations Center.
6. Approve and adopt an updated Local Hazard Mitigation Plan for the City.
7. EMC will attend industry-specific conferences and regional exercises to enhance information-sharing, best practices, and up-to-date news to bring back to the City.
8. Provide continuous in-service training to department personnel such as emergency preparedness training and tabletop exercises.

2025-26 OPERATING BUDGET

PARKS, RECREATION, AND LIBRARY SERVICES

Community Services and Park Patrol Oversight

Library Programs and Services

Recreation Services

Special Events

Parks, Recreation, and Library Services provides a variety of park, recreational, social, and library services for the community.

The department is comprised of three main divisions, which include Parks/Community Services, Recreation, and Library Services, in addition to administration of the department.

The Parks division provides input and support in the design, development, and rehabilitation of park property and community buildings, and helps to facilitate engagement and outreach efforts for special projects. Through the Park Patrol program, the department provides general oversight over the use of the park and open spaces.

The Community Services Division focuses on providing programs and services for adults and seniors, as well as social service programs, including transportation, and community-wide special events.

The Recreation Division specializes in providing youth-centered programming, which includes half- and full-time day camps, after school care during the academic year, and sports. Services for youth are offered year-round, matching school year calendars to maximize supplemental childcare needs for families.

The administration of the department manages the City's contracts, including Animal Control, Community Development Block Grant (CDBG) administration, park facility scheduling, and oversight and support of the Parks and Recreation Commission. Additionally, the department serves as a liaison to the Signal Hill Community Foundation, with whom the City has an active

Memorandum of Understanding (MOU) for additional support of special events and services.

The Library Division offers both traditional and non-traditional services. The Signal Hill Public Library serves as one of the City's primary community centers which offers programs and services that encourage learning, cultural diversity, and civic engagement. The Library supports literacy, learning, equity, diversity, inclusivity, and cultural awareness.

Department Programs:

Library Programs and Services (81)

Recreation & Community Services (82/83)

Social Services Programs (81/82/83)

Departmental Goals:

To provide a wide variety of recreational, social, and library services to meet the needs of residents of all ages, support local businesses, and enhance the quality of life for residents, businesses, and visitors through programs, events, and activities, and advocate for park development and open space opportunities.

Objectives

1. Provide access to a variety of programs that promote emotional, mental, physical, and the overall well-being of a diverse community.
2. Introduce new programs and cultivate and enhance existing programs to continue to meet the needs of the Community. Centered around cultural diversity and awareness, the department will focus efforts to enhance and integrate programming opportunities that will demonstrate the varied population in the City. Programming efforts will also focus on integration of programs for people of all abilities, ensuring that we continue to close gaps in services.
3. Work closely with the other departments to complete the Civic Center Master Plan and initiate and complete Phase One, which includes the building of a new performing arts amphitheater. The development of performing and visual arts opportunities is one of the key priorities in the City's Prioritization and Implementation Plan otherwise referred to as the "PIP" which is addressed in the upcoming Civic Center Master Plan. The preliminary work to program the new

amphitheater space will begin during this period. Programming of the new facility space will be a priority for the department.

4. The introduction of additional summer programming, specifically for teens, will also take place during FY 25/26, providing additional childcare needs based on community feedback through program surveys. New programs will include an extended summer camp for tweens, grades 6th-8th, and the introduction of a Teens Leaders-in-Training program which will focus on providing youth with hands on learning experience during the summer months.

Department Description:

Mission Statement:

The Public Works Department is responsible for providing reliable, well-maintained public facilities and essential services to residents and the business community. Responsibilities include the delivery of high-quality drinking water, the design, construction, and maintenance of all City facilities, including the water system, streets, traffic signals, parks, medians, buildings, and fleet of vehicles and heavy equipment.

The Public Works Department ensures that City-owned infrastructure and facilities, water services and capital improvement programs are designed, engineered, constructed, maintained and/or modified in a professional and safe condition. The Department coordinates a variety of activities and services including the preparation of plans and specifications for public works-related construction projects; the design and inspection of public facilities; ensures the proper installation of all public improvements made in new subdivisions, such as streets, curbs, gutters, sidewalks, water mains, sewer lines, and drainage; and provides custodial service to City facilities.

The Street Division is responsible for preventive and regular maintenance of streets and right-of-way including signage, striping, graffiti cleanup, curb paintings, pothole and street repairs, and traffic control

for City events and during emergency responses to the Facility Maintenance and Grounds Maintenance divisions maintain buildings and landscaping in the City's parks and facilities. In addition, the Grounds Maintenance division oversees landscape contract activities in the California Crown Landscape and Lighting Maintenance District. The Environmental division includes recycling and refuse collection, water conservation, and NPDES stormwater compliance.

Department: Public Works

Program: Facility Maintenance, Environmental Programs, Grounds and Street Maintenance (92-95)

Program Description:

Mission Statement:

The Maintenance divisions implement maintenance, repair and improvement programs to sustain the public infrastructure in a well-maintained and attractive condition through continuous monitoring, maintenance and repairs.

Primary Activities:

The Maintenance divisions conduct maintenance of the City's parks, grounds, street trees, buildings, streets, and alleys as well as hazardous material response and graffiti removal. Environmental activities include recycling and refuse collection, water conservation, and NPDES compliance. These services are augmented by used motor oil, household hazardous waste, and E-waste collection activities.

Key Workload Indicators (Facility, Grounds and Street Maintenance):

1. Inspect the condition of City sidewalks on a biannual basis, and develop a priority list for replacements, utilizing CJPIA standards.
2. Complete routine tree trimming.
3. Continue monthly playground equipment inspections and repairs as needed to ensure compliance with safety regulations.
4. Respond to requests relating to safety hazards within 24 hours.
5. Repair reported potholes in a timely manner.
6. Conduct routine alley maintenance, which includes trimming overgrown vegetation and removing weeds and trash.

7. Maintain a safe work environment and continue safety training in order to stay in compliance with OSHA regulations.
8. Ensure all City parks, landscape areas, and facilities are being properly maintained per the contract specifications by performing routine scheduled inspections.
9. Provide timely removal of graffiti on all City facilities. Continue to maintain a database identifying the area and specific location.
10. Administer the Street Tree Policy.
11. Maintain the inventory of all City Street marking and legends using electronic marking program.
12. Provide support to the Community Services Department and Police Department for community events.
13. Provide weed control for City-owned property, including lots, alleys and rights-of-way.

Key Workload Indicators (Environmental Programs):

1. Manage and enforce the City's Water Conservation Program, with an emphasis on public outreach and education campaigns.
2. Continue implementing programs to maintain the City's compliance with NPDES regulations including restaurant and industrial waste inspections.
3. Participate in the LA River Watershed and Los Cerritos Channel Watershed working groups.
4. Ensure the cleaning of catch basins citywide per NPDES requirements.
5. Continue the management of the Solid Waste Management Agreement with exclusive franchise hauler.
6. Meet the State's (CalRecycle) target of waste generation each reporting year by creating and implementing an Organics Ordinance.
7. Encourage additional participation by multi-family complexes in the City's recycling program.
8. Seek and apply for grants to offset the costs of environmental programs and submit annual reports for grants awarded.
9. Encourage residents to utilize programs offered by the EDCO Transfer and Recycling Facility with information and updates on City homepage and other means of communication.

Program: Internal Service Vehicle Replacement Fund (601)

Program Description:

Division Purpose:

The Fleet division provides quality and timely service to the City Fleet to maintain efficient and safe transportation and equipment to serve staff and community needs.

Primary Activities:

The Fleet division is responsible for the inspection, maintenance, and repair of all City vehicles including passenger cars, trucks, police vehicles, heavy equipment and miscellaneous rolling stock. Staff is responsible for monitoring Federal, State, and County regulations for compliance, as well as monitoring vendor services to assure receipt of economical and high-quality services. The Fleet division is also responsible for vehicle purchasing and outfitting as well as all aspects of fuel purchasing/management. As equipment and vehicles reach the end of their useful lives, these are replaced using fund reserves.

Key Workload Indicators:

1. Operate a preventive maintenance program for all vehicles and equipment with a goal of no more than two consecutive workdays out of service for routine maintenance.
2. Administer the City's vehicle maintenance program in a way that assures all vehicles are maintained as scheduled. Notify department representatives of their respective vehicles scheduled maintenance requirements.
3. Maintain a safe work area and continue training to comply with OSHA regulations.
4. Manage all aspects of the City's fuel program including AQMD compliance. Replace vehicles based on replacement criteria and annual assessment.
5. Prepare specifications and complete purchases of all budgeted vehicles and equipment.
6. Maintain compliance with all applicable regulations and requirements governed by respective regulatory agencies.
7. Commence the integration of Hybrid and Zero Emission Vehicles (ZEV) to the City's Fleet.

RESOLUTION NO. 2025-06-6880

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
SIGNAL HILL, CALIFORNIA, APPROVING AND
ADOPTING THE ANNUAL APPROPRIATIONS LIMIT FOR
FISCAL YEAR 2025-26**

WHEREAS, on November 6, 1979, the voters of California added Article XIII B to the State Constitution placing a restriction on the amount of proceeds of tax revenue which can be appropriated by State and local governments during a fiscal year; and

WHEREAS, Article XIII B provides that the appropriations limit for Fiscal Year 2025-26 is calculated by adjusting the actual appropriations of Fiscal Year 1978-79 for changes in the cost of living and population; and

WHEREAS, the City Council may choose to use as adjustment factors either the annual growth in California Per Capita Income or the growth in the non-residential assessed valuation due to new construction within the City and the City's population growth or the population growth of the County of Los Angeles, as provided by the State Department of Finance; and

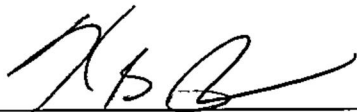

WHEREAS, the City of Signal Hill has complied with all provisions of Article XIII B in determining and establishing the appropriations limit for Fiscal Year 2025-26.

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF SIGNAL HILL, CALIFORNIA, DOES HEREBY RESOLVE that for Fiscal Year 2025-26, the City of Signal Hill has selected 1) the County population growth for the population factor and 2) the California change in per capita personal income for the inflation factor. The City reserves the right to change the factors selected.

BE IT FURTHER RESOLVED that the appropriations limit for Fiscal Year 2025-26 shall be \$103,503,101 for the City of Signal Hill attached hereto as Exhibit A.
