Your signature will indicate your approval of such a project and that you are aware of the following:

1. The Limited Time Parking restriction applies to all motorists, including residents, employees, clients, and customers.
2. The Limited Time Parking does, in no way, restrict parking for any individual except on a time basis. On-street parking due to the sign installation does not become reserved exclusively for the resident or employee.
3. Upon finding that Limited Time Parking is warranted, all day parking will cease in the subject area and parking restrictions will be enforced. The curb will be painted after receipt of a one-time fee paid by the petitioner. 100-34-913
4. The installation of Limited Time Parking should allow for a higher availability of on-street parking spaces due to parking area "turn-over" resulting from short term use.
