CITY OF SIGNAL HILL

2175 Cherry Avenue ♦ Signal Hill, CA 90755-3799

June 30, 2020

MEMORANDUM

**TO: HONORABLE MAYOR
AND MEMBERS OF THE CITY COUNCIL**

**FROM: HANNAH SHIN-HEYDORN
CITY MANAGER**

SUBJECT: FISCAL YEAR 2020-21 and 2021-2022 BUDGETS

I am pleased to present the Fiscal Year (FY) 2020-21 Operating Budget for your review and approval, the first year of the biennial Operating and Capital Budget. Thank you to the Mayor and the City Council for your leadership and support throughout the process and for setting a course that reflects the values and priorities of the community. Thank you to all the staff who worked tirelessly to present a balanced operating budget in these challenging times and who will work diligently throughout the year to implement and realize these budgeted goals and objectives.

The quality of life enjoyed by Signal Hill residents and businesses is directly related to the City's capacity to effectively deliver essential services, including the core services of public safety and infrastructure. How the City is funded, and how well it is funded, is vital to the delivery of these services. The City is constantly challenged to balance finite available resources against increasing costs and demands for services. Over the years, the City has been challenged by the Great Recession, the dissolution of redevelopment, the evolution of retail, increasing obligated expenses, and greater competition for talented employees. But a health pandemic was a new one.

Budgeting in the midst of Covid-19 presented unique challenges, between the forced closure of all non-essential businesses, executive orders and health orders that impacted City revenue streams, and now the ever-changing reopening and recovery process, the number of moving parts during this budget process was unprecedented. In developing the budget, staff relied on the City's long standing commitment to fiscal prudence and conservative budgeting, combined with historical performance data, past experience, and professional financial and economic analyses.

- The budget provides an informed estimate of anticipated costs and expenses, providing an overview of all operations and supporting coordinating the activities of all divisions.
- The budget supports continuous improvement, highlighting progress towards stated goals and areas for improvement.
- The budget builds upon past experience and performance, and also anticipates changes in levels of activities. Through the budget, we recognize population changes, increased demand for services, staffing requirements and more.
- The budget is a statement of policy and priorities, expressed in financial terms, and serves as a working guide for staff.
- The budget communicates the goals of the city into an operations plan and holds the City accountable.

Preparing the two-year budget is an extensive process that involves collaboration throughout the organization. The FY 2020-21 Operating and Capital Budget is the first budget year of the two-year FY 2020-22 Budget and reflects an operating budget of \$22.4 million and a capital budget of \$9.9 million. The City utilizes a two-year budget to:

- Integrate goal-setting with the budgetary process;
- Reinforce the City's commitment to long-term fiscal health by looking beyond a one-year time horizon; and
- Retain the flexibility and responsiveness by annual budget reviews.

Fiscal Year 2019-20 Review:

In planning and forecasting for FY 2019-20, the general consensus among economists was an optimistic yet cautious outlook. The economy was anticipated to continue to grow at a steady but modest pace, continuing the longest economic expansion in the country's history. Unemployment was low at around 4%, and was forecasted to hold steady for the next few years. Sales tax revenues coming in to the City for the first two quarters of the fiscal year (July – December) outperformed budgeted forecasts.

On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency regarding Covid-19. On that same day, the Los Angeles County Board of Supervisors and the Los Angeles County Health Officer (Health Officer) each issued declarations of a local and public health emergency. On March 19, 2020, an Executive Order and a Public Health Order directed all Californians to stay home except to go to an essential job or to shop for essential needs to slow the spread of Covid-19. Schools throughout the state began to systematically transition to online learning, ultimately resulting in the cancellation of in-person learning for the remainder of the 2019-2020 school year. All non-essential businesses were ordered to close, and unemployment claims grew at an unprecedented rate.

After the initial Executive Order, the City immediately began adjusting internal operations and staffing levels to prepare for the anticipated economic impacts associated with the pandemic. Throughout this period the City continued to provide essential services and maintain operations while utilizing phone, online, and virtual points of service.

The Health Officer developed a five-stage reopening process that the City will follow. On May 8, 2020, the Health Officer issued a modified Public Health Order allowing low-risk businesses to reopen as part of Stage 2. On June 11, 2020, the Health Officer issued a further modified Public Health Order allowing several additional categories of business to reopen, moving the County into Stage 3 of the reopening process. The Los Angeles County Board of Supervisors has announced a goal of moving into Stage 4 by July 4, 2020. As the reopening and recovery process continues, the City will continue to monitor evolving economic indicators and available data to re-evaluate budgetary assumptions and make necessary adjustments to close out the year.

Despite the challenges of Covid-19, City staff continued to deliver those programs, projects, and services that contribute to the high quality of life enjoyed by residents and businesses. Highlights include the oversight of nearly \$12 million in capital improvement activities, including finalization of the Library and the Los Cerritos Channel Stormwater Project (both American Public Works Association award winning projects), the installation of 15 American Disabilities Act (ADA) curb ramps along Orange Avenue, and the installation of 18 new branded bus benches and solar poles. Staff completed a water rate study that supports the rehabilitation of Well No. 8 and ensures the ongoing delivery of safe, clean water, while continuing to maintain one of the lowest consumer water rates in the region. Staff issued almost 3,000 new library cards and hosted over 50 special activities and programs at the new library. Although many of the traditional recreation programs and events were deferred due to Covid-19, staff supported the community through an expansion of the City's food distribution program, delivering a total of 970 boxes of groceries to seniors and 400 boxes to low-income families. On the development front, the City welcomed a new high-end user car dealership to the Auto Center, as well as a new office building and sit-down restaurant.

Fiscal Year 2020-21:

The City has had a long tradition of fiscal prudence and conservative budgetary management, positioning itself to respond to unforeseen or uncontrollable economic events that may adversely impact the operating budget, such as Covid-19. The FY 2020-21 Operating and Capital Budget (Year 1 Budget) addresses the economic challenges related to Covid-19 and assumes a recessionary impact. In reviewing the economic recovery possibilities as we emerge from Covid-19, the Year 1 Budget assumes a "swoosh/tick"-shaped rebound, with a partial bounce out of the imposed economic contraction, followed by a more gradual recovery. However, the uncertainty surrounding the course of the virus and the nature and effects of the ongoing health official and executive orders has made forecasting particularly challenging. In developing the Year 1 Budget, staff relied on an analysis of previous recessions overlaid with actual performance and trends over the past few years and projected numbers, as well as industry, economist, and news reports.

General Fund

The General Fund is the general operating fund of the City. All general tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. Expenditures of this fund include the general operating expenses and capital improvement costs which are not paid through other funds.

The Year 1 Budget is balanced and reflects estimated revenues and transfers-in totaling \$22,491,367 comprised of \$20,138,249 in operating revenues and \$2,353,118 in non-operating revenues; total appropriations and transfers-out in the amount of \$22,491,367 in operating expenses.

Table 1. General Fund Balance

Reserve Net Transfers to Other Funds	\$1,032,552	
Projected General Fund Balance at June 30, 2021		\$35,403,704

It is estimated that the General Fund unassigned fund balance will complete FY 2020-21 at \$11,677,244 and the Economic Uncertainties Fund balance will be \$3,970,290. The total of the unassigned General Fund balance and the Economic Uncertainties Fund balance is estimated at \$15,647,534. This represents 70% of the General Fund budgeted expenses for FY 2020-21. Unused appropriations and/or revenues exceeding expenses at the end of every fiscal year revert back to fund balance. This residual fund balance can then be used for one-time expenses (non-operating) or put aside as a reserve for future purposes. It is proposed by staff that Council consider any unused appropriations for one-time uses or reserves when the final year-end audited financial results are completed for FY 2019-20, anticipated to be presented to the Council in December 2020.

Revenues

The Year 1 Budget as presented provides for a balanced operating budget, utilizing planned available revenues and transfers that are equal to planned operating expenditures for the budget year. Total FY 2020-21 General Fund revenues as

categorized below are estimated at \$21,176,814, a decrease of \$803,120 from the FY 2019-20 adopted budget. In projecting General Fund revenues, the following assumptions were utilized:

- Property taxes for Year 1 and Year 2 will remain flat as the tax rolls were established prior to Covid-19, but an increase in delinquencies is included.
- Sales taxes (including auto sales) will decline in Year 1 with a bounce in Year 2.
- Oil production taxes will decline slightly with reduced production, but the unique nature of our oil field operations and the high costs of permanently shuttering wells do not indicate a steep decline.
- Other taxes (including transient occupant tax) will decline in Year 1 with a modest bump in Year 2.

Expenditures

Although the Year 1 Budget includes for the provision of all essential services, it does include significant cuts to personnel costs and department operating budgets. Despite these significant cuts, increasing obligated costs related to insurance, legal costs, pension obligations, and unfunded mandates continue to drive expenditures up. Adopted FY 2020-21 expenditures of \$22,441,367 were budgeted \$102,203 higher than the previous fiscal year budgeted expenditures of \$22,339,164. The Capital Improvement Program includes funding for just under \$10 million in projects, including the Well No. 8 rehabilitation, the construction of View Park, and investments in the maintenance of the City's streets and water system.

Reserves

Unused appropriations and/or revenues exceeding expenses at the end of every fiscal year revert back to fund balance. Each Fund's fund balance can then be used for one-time expenses (non-operating) or put aside as a reserve for future purposes. All Committed Reserve funds are represented in the table below.

To support the delivery of a balanced operating budget, the current budget includes five transfers from the General Fund Reserves as follows:

- Economic Uncertainty (\$903,252)
- Insurance Reserve (\$81,300)
- CalPERS Reserve (\$50,000)
- General Plan (\$150,000)
- Economic Development Reserve (\$130,000)

All other General Fund Reserve balances are retained at current levels. At the completion of the annual FY 2019-20 audit, recommendations for any available funds will be made for increases to reserve funds or one-time expenditures.

Capital Improvement Program

The Capital Reserve Fund is used to account for financial resources segregated for the development, construction and improvement of City facilities. The FY 2020-21 Capital Improvements Program (CIP) includes new and existing projects, or project phases representing an investment of \$9.9 million. Funding sources for each project are listed in the detailed CIP schedule.

Water Fund

The Water Fund is an enterprise fund, and is used to account for operations that are financed and operated in a manner similar to a private business enterprise. The intent of the City Council is that the costs (expenses, including depreciation) of providing water utility services to the public be financed or recovered primarily through user charges.

In FY 2018-19, the City initiated an updated rate study to assess current rates and costs of the water system and infrastructure. Based on increasing water costs charged by the Metropolitan Water District and the Water Replenishment District, as well as the impacts of increasing expenses and reduced revenues due to conservation, the Water Fund's net position was forecasted to have a negative trend. After completing the water rate study and a subsequent Proposition 218 Hearing, the City implemented new water rates in 2020. The sale of water for FY 2020-21 is estimated at \$5,214,181. The Water Fund Budget Summary is as follows.

Table 5. Water Fund

	2018 - 2019 Actuals	2019 - 2020 Projection	Year 1 Adopted Budget	Year 2 Approved Budget

Other Funds – Special Revenue

Special Revenue Funds are used to account for the revenues derived from specific revenue sources, which are legally restricted and usually required by law or administrative regulation to be accounted for in separate funds. Special Revenue Funds are distinguished from enterprise funds in that the services delivered are financed by a Special Revenue Fund (such as streets) and the user does not pay for the service based on actual use.

Gas Tax

Gas Tax revenues for FY 2020-21 are estimated to be \$151,395. Tax Sections 2104-2107 allocations are based on a fixed per gallon rate. As a result, those allocations are more stable, although they are subject to decline if consumption decreases due to fuel efficiency, increasing use of alternative transportation fuels or decreased economic activity. As previously noted, the Gas Tax Fund was increased due to a Los Angeles County ½ cent sales tax (Measure M), as well as AB-1 and SB-1 for transportation funding.

Internal Service Fund – Vehicle Replacement

The net position of the Vehicle Replacement Fund is estimated to be \$1,091,283 at the end of FY 2020-21. The following purchases are part of the approved budget based on the City's Vehicle Replacement Policy.

Table 6. Vehicle Replacement Fund

Vehicle	Replacement Cost	Department
Vehicle #74713 2013 Chevy Caprice Sedan	\$52,000	Police
Vehicle #74213 2013 Chevy Caprice Sedan	\$52,000	Police
Vehicle #75514 2014 Honda Odyssey Light Truck	\$52,000	Police
Vehicle #40700 2000 Water Service Truck	\$170,000	Water

Conclusion:

The City's budget was prepared in a conservative and prudent manner, incorporating current and future economic indicators regarding revenue estimates and expenditures. The City's fiscal practices, which include a consideration of future needs and strategic long-term planning, have enabled our City to achieve and maintain a positive, stable financial condition.

We approached the creation of this two-year budget in conjunction with the adopted Strategic Plan that is to be updated in the upcoming fiscal year. As always, the entire management team will continue seeking out opportunities to improve efficiencies, reduce costs, and respond effectively to the external economic forces that impact available resources. Staff will continue to build on the accomplishments that have resulted in the fiscal stability of the City of Signal Hill and continue to deliver those services that provide a high quality of life to residents and the business community.

The City's long-standing tradition of fiscal prudence and careful stewardship of financial resources has allowed the City to grow and thrive over the years. Signal Hill has maximized opportunities while meeting challenges, and continued to deliver quality municipal services and important capital projects. The City will continue to embrace the ideals of conservative fiscal policy, forward thinking, and strategic planning as we face the future.

Five Year Strategic Plan

2015-2019

Goal #1 – Ensure Long-Term Fiscal Stability

Goal #2 – Ensure Public Safety is High Priority

Goal #3 – Promote a Strong Local Economic Base

Goal # 4 – Maintain and Improve the Public Infrastructure

Goal # 5 – Ensure an Enhanced Quality of Life for the Residents

Goal # 6 – Promote a Transparent and Open Government

CITY OF SIGNAL HILL FINANCIAL POLICIES

For the past several years, the City Council and staff have followed prudent fiscal practices that have enabled the City to achieve and maintain a positive, long-term stable financial condition. These practices, which have guided the City's budgeting and financial planning, are stated as financial policies.

1. The Director of Finance shall annually prepare a General Fund Analysis of Structural Balance to determine that a structural deficit does not exist.
2. The City Manager shall submit a structurally balanced General Fund budget to the City Council. A structurally balanced budget requires that recurring revenues equal or exceed recurring expenditures.
3. The City shall maintain a combined General Fund reserve and Economic Uncertainties reserve equivalent to a minimum of six months operating expenses.
4. The General Fund and Economic Uncertainties reserves shall only be used for cash flow purposes, loans to other funds, major citywide emergencies (e.g., earthquakes, floods, or fire), severe economic downturns, or loss of a major sales tax provider.
5. When fiscally prudent, Special Reserve Funds should be established for identified, future major expenditures such as GASB 45, PERS, Library, and Police Building. These Reserves should be clearly identified in the Annual Budget.
6. Non-recurring resources will be used for non-recurring expenditures such as contributions to reserves, debt retirement, and/or capital projects.
7. The Annual Budget shall include a General Fund Five-Year Forecast of Revenues, Expenditures, and Fund Balances to help identify possible future financial problems.
8. The Annual Budget shall include assumptions covering such factors as projected CPI, interest rates, PERS Safety and Miscellaneous rates, new building activity etc. underlying budget estimates.

DESCRIPTION OF FUNDS

General Fund (100)

The General Fund is the operating fund of the City. All general tax revenues and other receipts allocated by law or contractual agreement to other funds are accounted for in this fund. Revenues deposited into the General Fund include, but are not limited to, property tax, sales tax, real property transfer tax, franchise tax, business license tax, oil production taxes, transient occupancy tax, NPDES tax, fines and forfeitures, and fees for services. This fund is used to finance most of the City's basic services including general administration, finance, community services, community development, public works, and public safety.

Special Revenue Funds

Special Revenue Funds are used to account for revenues derived from specific sources, which are usually required by law or administrative regulation, to be accounted for in a separate fund.

Community Development Block Grant Fund (CDBG) (201)

Enacted through the Housing and Community Development Act of 1974, the Community Development Block Grant Fund receives and disburses CDBG monies for administration, social service programs, and capital projects.

Proposition A Fund (202)

The Transportation Fund receives and disburses the City's share of the Los Angeles County sales tax of one half percent (.5%) for public transportation purposes in accordance with "Proposition A."

Proposition C Fund (203)

The Proposition C Fund receives and disburses the City's share of the Los Angeles County sales tax increase of one half percent (.5%) for public transportation purposes in accordance with "Proposition C." These funds are administered by the Metropolitan Transportation Authority (MTA).

DESCRIPTION OF REVENUES

The City of Signal Hill receives revenue from a wide variety of sources. The following summary of the revenues will provide the reader insight into these sources, as well as provide a foundation for the budget estimates.

General Fund (100)

Property Tax

Property taxes, in the State of California, are administered at the county level for all local agencies, and consist of secured, unsecured, and utility tax rolls.

Sales and Use Tax

In accordance with the California Revenue and Taxation Code and the Bradley-Burns Uniform Local Sales Use Tax Law of 1955, the State of California imposes Sales and Use Tax on the taxable sales within the City. The City receives 1% of the Sales and Use Taxes collected, with the remaining portion shared by the State, County, and Transportation District.

Traffic Safety

This fund includes the City's portion of revenues from fines for violation of the California Vehicle Code. These funds are used for public safety expenditures.

Franchise Fees

This is revenue received for the right to use public property for oil and gas lines in the streets, on poles, and overhead lines for public utilities, and for the exclusive right to provide water, cable television, or refuse collection services.

Business License Tax

This is revenue from businesses and occupations that must be licensed prior to operating in the City. A provision for construction contractors allows for the purchase a business license for either six or twelve months.

Oil Production Taxes

This is revenue from the per barrel levy on oil production. The rate is adjusted annually based on changes in the Producer Price Index for Crude Oil Production.

Transient Occupancy Taxes

The City of Signal Hill Municipal Code authorizes the City to levy a tax for the privilege of occupying lodgings on a transient basis for thirty consecutive calendar days or less.

Dog Licenses

The City of Long Beach Animal Control Bureau issues licenses for the City of Signal Hill.

Building, Plumbing, and Electrical Permits

The Community Development Department, within the Planning and Building Safety programs, issues building, plumbing, electrical, and other types of building permits for the construction of residential and commercial/industrial structures to ensure Code compliance.

Alarm System Permit

This is revenue from issuance of alarm system permits for residential and commercial buildings.

Fines and Forfeitures

The California Vehicle Code and the City of Signal Hill Municipal Code allow for the imposition of civil penalties for parking violations. Parking penalties are collected by the City. Fines assessed for moving violations of the California Vehicle Code and non-parking violations of the City of

Signal Hill Municipal Code are collected by the Los Angeles County Municipal Court and partially remitted to the City. The City's towing service collects fines for police impound and towing fees.

False Alarms

This is revenue generated from police response to false alarms for residences and businesses.

Interest on Investments

The City of Signal Hill invests idle funds in various instruments allowed under the City's Investment Policy, which is governed by State law and reviewed annually by the City Council. Investment earnings are allocated to various funds on the basis of proportionate cash balances.

Rents and Concessions

Fees are charged for the use of City land, buildings, and equipment. Revenue is also generated from commissions from telephone and vending machine use.

Royalties

These are revenues generated from royalties earned on subsurface oil and gas leases.

Intergovernmental – State

This includes revenues that are collected by the State and returned to the City and reimbursement for State programs. Some of the revenues remitted from the State are Motor Vehicle In-Lieu Tax, POST Reimbursement, and Homeowners' Property Tax Exemption.

Intergovernmental – County

The County of Los Angeles remits one-half of the Documentary Transfer Tax collected by the County Recorder when property changes ownership.

Charges for Current Service

Administration - Fees are collected for elections.

Recreation and Parks – Fees are charged for special interest classes, sports leagues, community services events and excursions.

Library Fines and Fees – Fines and fees are charged for overdue or lost books and materials, as well as revenue from the sale of books.

Finance - Fees are charged for the processing of business licenses.

Planning and Building Safety – Fees are collected for services such as Developer Advances to pay for the time City staff spends processing development applications, plan checks, site plan, environmental and geotechnical reviews and building inspection fees.

Police - Fees are collected for bookings and vehicle impounds.

Other Revenue

These revenues include recovery of mandated costs, sale of property, insurance refunds, and other private contributions or grants.

COMMUNITY DEVELOPMENT

Planning

Neighborhood Enhancement

Building Safety

Oil Field Services

Department Description:

The Community Development Department has four programs: Planning, Neighborhood Enhancement, Building Safety, and Oil Field Services. Planning includes coordination of development applications and project review for consistency with the General Plan and Municipal Code regulations and provides staffing for the Planning Commission. Neighborhood Enhancement includes code enforcement, provides staffing for the Sustainable City Committee and neighborhood improvement programs. Building Safety includes tracking of inter- and intradepartmental reviews for development projects, plan check of construction plans, issuance of permits, and property inspections. Oil Field Services includes oversight of compliance with provisions of the City's Oil and Gas Code, and inspection of oil field facilities.

Department Programs:

Planning

Neighborhood Enhancement

Building Safety

Oil Field Services

Departmental Goals:

1. Coordinate review of development projects, fast track entitlements for economic development projects, assure that all new development is of high quality design and in conformance with the General Plan and relevant provisions of the Municipal Code such as the Zoning, and Oil and Gas Codes.
2. Proactively enforce the Municipal Code and amend it as necessary to maintain and enhance the appearance of the City.
3. Assure that all development projects are of sustainable design and high quality construction through plan review and inspections and assure conformance with California Building Codes.
4. Enforce the City's Oil and Gas Code, including provisions related to development of properties with abandoned oil wells and operational standards such as noise, safety and appearance.

Department Description:

The Signal Hill Police Department is a full-service law enforcement agency responsible for the prevention of crime, promotion of traffic safety, enforcement of all state and local laws, protection of life and property, preservation of peace, and apprehension of criminals. The Department responds to and investigates all reports of criminal activity and emergency situations, enforces state and local traffic ordinances, and performs public assistance as called upon to ensure public safety. In addition, the Police Department actively participates in Community Improvement Programs and Community-Oriented Policing Programs, such as the Police Community Volunteer Program, Explorers Program, "Too Good For Drugs" Program, Citizen Police Academy, and Neighborhood Watch. For management and budgetary purposes, the Police Department is divided into seven service programs: Community Outreach, Patrol Services, Investigative Services, Police Support Services, Police Communications/Jail, Police Records, and Emergency/Disaster Services.

Department Programs:

Community Outreach

Patrol Services

Investigative Services

Police Support Services

Police Communications/Jail

Police Records

Emergency/Disaster Services

Department Goals:

The Police Department is "Committed to Excellence in Service", and will provide a high level of public safety services, in a collaborative partnership with the community. The Police Department is proactively involved in Domestic Preparedness Planning. This includes Homeland Security training, First Responder Training, and the acquisition of equipment in order to be better prepared to respond to natural or manmade disasters.

Department: Police

Program: Patrol Services (72)

Description:

Patrol Services provides highly visible uniformed police officers patrolling the City streets in a manner that maximizes the probability of deterring and/or apprehending criminals while providing the citizens with timely, courteous, and ethical service. Also within Patrol Services is the Traffic Safety unit charged with traffic enforcement and the promotion of traffic safety.

Objectives:

1. Respond to all emergency calls for service within four minutes of receiving the dispatch.
2. Focus on those hazardous moving violations most responsible for injury traffic collisions so that the number of injury traffic collisions is reduced.
3. Participate in grant opportunities.

Department: Police

Program: Police Support Services (74)

Description:

Police Support Services provides effective management, leadership, direction, and control to ensure the desired level of proactive and professional police service to a growing community. Police Support Services provides internal audits and control of the organization through personnel and internal affairs investigations, along with risk management analysis. The quality of life in the City of Signal Hill is enhanced by increased community involvement in decisions involving safety and security.

Objectives:

1. Continue to meet 95% of all mandated P.O.S.T. police officer training before the due date.
2. Complete review of 95% of all citizens' complaints within a sixty-day period.
3. Implement recruitment and retention strategies to fill vacant department positions.

Department Description:

Mission Statement:

The Public Works Department is responsible for providing reliable, well-maintained public facilities and essential services to residents and the business community. The responsibilities include the delivery of high quality drinking water, the design, construction, and maintenance of all City facilities, including the water system, streets, traffic signals, parks, buildings, and fleet of vehicles and heavy equipment.

The Public Works Department ensures that City-owned infrastructure and facilities, water services and capital improvement programs are designed, engineered, constructed, maintained and/or modified in a professional and safe condition. The Department coordinates a variety of activities and services including the preparation of plans and specifications for public works-related construction projects; the design and inspection of public facilities; ensures the proper installation of all public improvements made in new subdivisions, such as streets, curbs, gutters, sidewalks, water mains, sewer lines, and drainage; and provides custodial service to City facilities.

The Streets division is responsible for preventive and regular maintenance of streets and right-of-way. The Facilities and Grounds divisions maintain buildings and landscaping in the City's parks and facilities. In addition, the Grounds division oversees landscape contract activities in the California Crown Landscape and Lighting District. The Environmental division includes recycling and refuse collection, water conservation, and NPDES compliance.

Department Programs:

Department Goals:

1. Proactively meet the policy directives of the City Council in the maintenance and improvement of public facilities.
2. Implement the goals and objectives of the City's Strategic Plan.
3. Ensure capital improvement projects are well designed and constructed through management and inspection.
4. Proactively monitor legislation affecting public works.
5. Provide high quality maintenance and repair of public facilities and infrastructure in a cost-effective manner.
6. Provide the reliable delivery of high quality drinking water that meets or exceeds State drinking water standards.
7. Manage the City's Water Conservation Program and continue the program's public education and outreach campaign to achieve a ten percent reduction in water usage.
8. Ensure compliance with environmental regulations through the implementation of effective policies and programs.
9. Provide thorough and expedient engineering plan checking services for all development projects and subdivisions.
10. Manage the exclusive franchise agreement for solid waste collection and recycling programs.

11. Ensure maintenance contractors provide a high level of service through thorough oversight and inspection.
12. Continue to improve emergency response capabilities.
13. Monitor the Public Works Department budget to ensure efficient use of City resources.
14. Apply for grants to provide supplemental funding for capital improvements.
15. Provide prompt and professional service in response to requests from the community and other City departments.
16. Continue to inform members of the City Council, city residents, and businesses about Public Works activities through timely updates on the City's website and/or the quarterly departmental newsletter.

Department: Public Works

Program: Facility, Environmental, Grounds and Streets Maintenance (92-95)

Description:

Mission Statement:

The Maintenance divisions implement maintenance, repair and improvement programs to sustain the public infrastructure in a well-maintained and attractive condition through continuous monitoring, maintenance and repairs.

Primary Activities:

The Maintenance divisions conduct maintenance of the City's parks, grounds, street trees, buildings, streets, and alleys as well as hazardous material response and graffiti removal. Environmental activities include recycling and refuse collection, water conservation, and NPDES compliance. These services are augmented by used motor oil, household hazardous waste, and E-waste collection activities.

Key Workload Indicators:

1. Inspect the condition of City sidewalks on a biannual basis, and develop a priority list for replacements, utilizing CJPIA standards.
2. Complete routine tree trimming.
3. Continue monthly playground equipment inspections and repair as needed to ensure compliance with safety regulations.
4. Respond to citizen complaints/concerns relating to safety hazards within 24 hours.
5. Repair reported potholes in a timely manner.
6. Conduct bi-monthly alley maintenance, which includes trimming overgrown vegetation and removing weeds and trash.
7. Maintain a safe work environment and continue safety training in order to stay in compliance with OSHA regulations.

8. Ensure all City parks, landscape areas, and facilities are being properly maintained per the contract specifications by performing routine scheduled inspections.
9. Provide timely removal of graffiti on all City facilities. Continue to maintain a database identifying the area and specific location.
10. Administer the Street Tree Policy.
11. Maintain the inventory of all City street marking and legends using electronic marking program.
12. Provide support to the Community Services Department and Police Department for community events.
13. Provide weed control for City-owned property, including lots, alleys and right-of-ways.

Key Workload Indicators (Environmental):

1. Manage and enforce the City's Water Conservation Program, with an emphasis on public outreach and education campaigns.
2. Continue implementing programs to maintain the City's compliance with NPDES regulations including restaurant and industrial waste inspections.
3. Participate in the LA River Watershed and Los Cerritos Channel Watershed working groups.
4. Ensure the cleaning of catch basins citywide per NPDES requirements.
5. Continue the management of the Solid Waste Management Agreement with exclusive franchise hauler.
6. Meet the State's (CalRecycle) target of waste generation each reporting year.
7. Encourage additional participation by multi-family complexes in the City's recycling program.
8. Seek and apply for grants to offset the costs of environmental programs and submit annual reports for grants awarded.
9. Encourage residents to utilize programs offered by the EDCO Transfer and Recycling Facility with information and updates on City homepage and other means of communication.

Department: Public Works**Program: Vehicle and Replacement Fund (601)****Program Description:****Division Purpose:**

The Fleet Division provides quality and timely service to the City fleet to maintain efficient and safe transportation and equipment to serve staff and community needs.

Primary Activities:

The Fleet Division is responsible for the inspection, maintenance, and repair of all City vehicles including passenger cars, trucks, police vehicles, heavy equipment and miscellaneous rolling stock. Staff is responsible for monitoring Federal, State and County regulations for compliance, as well as monitoring vendor services to assure receipt of economical and high quality services. The Division is also responsible for vehicle purchasing and outfitting as well as all aspects of fuel purchasing/management. As equipment and vehicles reach the end of their useful lives, they are replaced using Fund reserves.

Key Workload Indicators:

1. Operate a preventive maintenance program for all vehicles and equipment with a goal of no more than two consecutive workdays out of service for routine maintenance.
2. Administer the City's vehicle maintenance program in a way that assures all vehicles are maintained as scheduled. Notify department representatives of their respective vehicles scheduled maintenance requirements.
3. Maintain a safe work area and continue training to comply with OSHA regulations.
4. Manage all aspects of the City's fuel program including AQMD compliance. Replace three (3) police units in FY 20-21.
5. Prepare specifications and complete purchases of all budgeted vehicles and equipment.
6. Maintain compliance with all applicable regulations and requirements governed by respective regulatory agencies.

RESOLUTION NO. 2020-06-6571

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
SIGNAL HILL, CALIFORNIA, APPROVING AND
ADOPTING THE ANNUAL APPROPRIATIONS LIMIT FOR
FISCAL YEAR 2020-21**

WHEREAS, the voters of California on November 6, 1979, added Article XIII B to the State Constitution placing a restriction on the amount of proceeds of tax revenue which can be appropriated by State and local governments during a fiscal year; and

WHEREAS, Article XIII B provides that the appropriations limit for Fiscal Year 2019-20 is calculated by adjusting the actual appropriations of Fiscal Year 1978-79 for changes in the cost of living and population; and

WHEREAS, the City Council may choose to use as adjustment factors either the annual growth in California Per Capita Income or the growth in the non-residential assessed valuation due to new construction within the City and the City's population growth or the population growth of the County of Los Angeles, as provided by the State Department of Finance; and

WHEREAS, the City of Signal Hill has complied with all provisions of Article XIII B in determining and establishing the appropriations limit for Fiscal Year 2020-21.

NOW THEREFORE, BE IT RESOLVED, that the appropriations limit for Fiscal Year 2020-21 shall be \$81,163,576 for the City of Signal Hill attached hereto as Exhibit A.

BE IT FURTHER RESOLVED, that for Fiscal Year 2020-21 the City of Signal Hill has selected 1) the County population growth for the population factor and 2) the California change in per capita personal income for the inflation factor. The City reserves the right to change the factors selected.

PASSED, APPROVED, AND ADOPTED at a regular meeting of the City Council of the City of Signal Hill, California, on this 23rd day of June 2020.
